Summary:

- Chenega Global Protection has an exciting opportunity for a **Project Manager** to join our team in Greensboro, NC. The Project Manager will report to the Director of Operations and provides on site oversight for assigned personnel.

Duties and Responsibilities:

- Institute quality assurance programs to ensure the attainment of project performance objectives.
- Submit required reports and communicate policies, purpose, and goals of the organization to subordinates.
- Responsible for supervision of assigned personnel.

Minimum Qualifications: (To perform this job successfully, an individual must be able to perform each essential duty satisfactorily.)

- 10 years of security or law enforcement related experience which at least five years must be specialized or supervisory in nature.
- A medical examination, physical testing, and physician’s clearance that evaluates and measures the applicant’s or incumbent’s vision, hearing, cardiovascular system, musculoskeletal system, and general health to conclude the individual can successfully perform the 84 tasks and functions of an officer.

Knowledge, Skills and Abilities:

- Knowledge and/or experience in project management and business rules.
- Must demonstrate competent utilization of the following software and web services: MS Office to include MS Word, MS Excel, MS Outlook, and Sharepoint.

Physical Demands: (The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.)

- While performing the duties of this Job, the employee is regularly required to sit and talk or hear. The employee is frequently required to walk; use hands to finger, handle, or feel and reach with hands and arms. The employee is occasionally required to stand; climb or balance and stoop, kneel, crouch, or crawl. The employee must occasionally lift and/or move up to 50 pounds. Specific vision abilities required by this job include close vision.

Work Environment: (The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job.)

- The employee will normally work in a temperature-controlled office environment, with frequent exposure to electronic office equipment.
- During visits to areas of operations, may be exposed to extreme cold or hot weather conditions. Is occasionally exposed to fumes or airborne particles, toxic or caustic chemicals, and loud noise.
