It is with great pleasure that we welcome you to the 419th Contracting Support Brigade (CSB). Your sponsor will assist you with in-processing, and help you make a smooth transition to your new assignment within the 419th CSB.

Effective sponsorship is critical to our success as an organization; it is essential that you and your assigned sponsor take the time necessary to integrate you and you're Family into the command, and the local community. The Command Sergeant Major and I believe your first priority is getting yourself and your Family settled. Information on your installation can be found at the Fort Bragg website:

Everything we do is about the mission, Soldiers, their Families, and teamwork. Our organization is focused on providing premiere and timely contracting support, practices and oversight to Army Commands, Installations and Activities in support of Army and Joint Global Operations. The Soldiers, DA Civilians, and Families that support them are the centerpiece of everything we do.

Again, congratulations on your assignment to the 419th Contracting Support Brigade. We look forward to you and your Family joining our Team.
