Fort Hunter Liggett Fire Update

FORT HUNTER LIGGETT, Calif. – There remains no imminent threat currently from the Plaskett Fire to the Fort Hunter Liggett (FHL) cantonment area or to personnel, residents, and families living or working on the installation. Fourteen remote training areas on FHL are downgraded to “Unaffected” status. Two Training Areas are downgraded from “Evacuation” to “Warning.” Visit this CalFire website for current Plaskett Fire info: https://www.fire.ca.gov/incidents/2026/8/26/plaskett-fire

The FHL Hunting & Fishing Program remains closed until further notice. FHL is strengthening firebreaks, working alongside the Incident Management Team, and providing personnel, heavy equipment, and space for a fire base camp.

Nacimiento-Ferguson and Del Venturi roads remain closed for public traffic. Area residents not under county evacuation orders may still access their property through Fort Hunter Liggett using Mission Road as thoroughfare. We appreciate the public’s cooperation on this temporary inconvenience. Security personnel are in place to restrict nonessential travel along Nacimiento-Ferguson Road and Del Venturi Road where they intersect Mission Road.
