3. The Visitor Center for Fort Hunter Liggett (FHL) is located on Mission Road prior to the main access control point for the cantonment. The hours are 0600 – 1530 Monday thru Friday, except federal recognized holidays. During the hours that the Visitor Center is closed visitors should proceed to Main Access Control Point (Bradley Gate) for processing. All visitors must have a valid purpose for access. **Contractors will only be vetted during normal business hours.**
4. Authorized ID Cardholders include:
 - Military personnel and their family members
 - DA Civilian employees and their family members
 - Retired Military DA Civilians and their family members
 - Contract employees with a Common Access Card
 - Installation Defense Biometrics Identification Card (DBIDS)
5. Individuals aged 18 or older entering Fort Hunter Liggett are required to have an Authorized ID Card or an authorized Visitor Pass.

6. For questions on Access Control you may contact the Visitor Center at 831-386-3874/3735 or the Physical Security Office at 831-386-3882, during normal duty hours.

7. All vehicles entering the installation are subject to inspection at any time. These inspections are conducted as an installation force protection measure. Refusal to submit to the inspection will result in a denial of access to the installation.

8. Access request forms may be sent via email for pre-vetting. The address for the email is:

usarmy.hunterliggett.id-readiness.mbx.des-vcc@mail.mil

9. Visitor Passes will be issued for no longer than 3 consecutive days. Contractors will be issued a pass for the period of performance and may not exceed one year. Sponsors will receive a confirmation email once the request has been processed. Visitors should notify the Visitor Center Staff that they have submitted an email request and have been pre-vetted.

10. Contractors and Vendors requesting a pass for access are required to present a completed Access Request Form. The form is required to be completely filled out when submitted. There is a portion on the form for the Applicant, and the Government Sponsor that has oversight of the contract/project that the Applicant is working under. Click on the below link for a copy of the form. The Visitor Center or Physical Security is only vetting to grant access to the installation, not granting the right to work, the government agent must coordinate with the anti-terrorism officer and the installation security manager for clearance for the contractor/vendor to perform services.

11. In addition to processing visitors, we also conduct Weapons Registration during normal business hours at the Visitor Center.
