<https://youtube.com/forthunterliggett>
- FMWR services and events: [www.facebook.com/fhlmwr](http://www.facebook.com/fhlmwr)

### PUBLICATIONS

- FHL command information products are available at:  
Defense Video & Imagery Distribution System  
<https://www.dvidshub.net/unit/FHL-PAO>
- Monthly command publication: The “Golden Guidon” is distributed via email to the FHL workforce, tenants, residents, and community partners. This online-only newsletter highlights training activities, and garrison events and info and links to more in-depth articles.
- FMWR publication: “The Howler” is a quarterly magazine distributed to via email to the FHL workforce, tenants, residents, and community partners. This magazine highlights events and services. Limited print copies are available at FMWR facilities.

### TOWN HALLS & MEETINGS

- FHL conducts quarterly employee, tenant and resident town halls to share info and provide a Q&A forum.
- FHL has a Community Relations Working Group which consists of community leaders, community organizations, members of the public, and representatives from the garrison and tenant organizations. The purpose of this group is to foster positive community relations, share info and provide a Q&A forum. Bi-monthly meetings are held at the Hacienda or the DFAC on the last Thursday of each month, starting in January.

### MEDIA & COMMUNITY RELATIONS

All media inquiries and community requests must be referred to the FHL Public Affairs Office.

### SOCIAL NETWORKING SAFETY TIPS

#### BLUF

- Social networking sites have many positive benefits, but if you are not following OPSEC guidance, you increase your risk of being attacked.
- Once something is posted on a social networking site, it can spread quickly. No amount of effort will erase it because there will be a record somewhere.

#### DO

- Use strong and unique passwords and change it often
- Keep anti-virus software current
- Turn off geotagging and do not allow people to “tag” you in photos
- Review security policies and settings often and limit who can access your information

#### DON'T

- Accept friend requests from strangers
- Use “check-ins”
- Do not use the **save password, remember me** or **keep me logged in** options from public or shared computers.
- Do not use the same password for all of your accounts.
- Do not use your social networking site to login to other sites because they will have access to your information as well as your friends’.
