MEMORANDUM FOR Presidio of Monterey Installation

SUBJECT: United States Army Garrison (USAG) Presidio of Monterey (PoM),
Command Policy #23 - Use of the PoM Appropriated Fund Dining Facilities (DFACs)

1. References.

- a. DoD FMR 7000.14-R, Volume 12, Chapter 19, Food Service Program.
- b. AR 30-22, The Army Food Program.
- c. DA PAM 30-22, Operating Procedures for the Army Food Program.

2. Purpose: To prescribe the conditions under which authorized personnel are permitted to dine in the PoM Appropriated Fund DFACs.

3. Applicability: This policy applies to all Service Members, Department of Defense (DOD) civilian personnel and contractors who are given approval to dine in the PoM Appropriated Fund DFACs.

4. The DFACs are established for the purpose of feeding enlisted Service Members (SM) who are authorized Subsistence-in-Kind (SIK). SMs who are not authorized to receive Basic Allowance for Subsistence (BAS) are entitled to subsist without charge. SIK are government meals furnished to the Soldier rather than money in lieu thereof; that is, meals instead of the full BAS entitlement. No increase in resources will be made available to subsisting personnel other than SIK.

5. The adequacy of dining facilities' space, equipment, manpower and the potential impact on the quality of assistance to SIK diners; the nature, location, and hours of duty for potential cash customers; and the suitability and availability of non-appropriated fund food service facilities and local civilian feeding establishments have been considered and it has been determined that reimbursement at Chay and Belas Hall DFACs are at the DoD Standard Meal rates prescribed in AR 30-22 and DA PAM 30-22. The Discount Meal Rate will be charged to spouses and other dependents of enlisted personnel in pay grades E-1 through E-4.

6. Service Unit S1. The unit S1 shall provide a list of current SIK personnel using the DFAC Point of Sale (POS) automated headcount systems to the Food Program

Manager (FPM) for Meal Entitlement Coding (MEC) verification. Service Unit S1s shall ensure SMs MECs identify them correctly as SIK or BAS customers and that the MEC is not expired.

7. I have determined that it is in the best interest of the Government, due to increased operational efficiency, morale improvement, unit integrity, and good community relations, to authorize all below categories of diners to purchase meals at the DFACs:

- a. All Service Members and their Family members.
- b. Escorted guests of a military member.
- c. Retired Service Members.
- d. Prospective enlistees accompanied by a recruiter.
- e. Members of youth groups sponsored by the schools or Recruiting Commands (i.e., JROTC) at either the local or national level.
- f. Official entertainment groups.
- g. Military or Civilian dignitaries on post for an official purpose.
- h. DoD Civilian personnel.
- i. DoD Contract personnel.
- j. All other personnel having the Garrison Commander's written approval to eat in POM's Appropriated Fund DFACs.

8. Additional guests and family members of retired military personnel, DoD Civilians, DoD Contractors, and DFAC employees are permitted to dine during holiday meals (Thanksgiving, Christmas, and the Military Branches' Birthdays).

9. Customers are authorized to receive an additional meal by returning to the cashier and purchasing a second meal. A SIK diner receiving duplicate meals without purchasing the second meal overextends Army Military Personnel, Army subsistence account funds.

10. DFAC and Grab-n-Go issued food and beverage containers are for Service Members only, during all meal periods. Service Members that receive a to-go container are not authorized to dine in either DFAC during that meal period.

11. DFAC facility requests will be routed through the ID-T USAG PoM SharePoint Site (<https://armyeitaas.sharepoint-mil.us/sites/IMCOM-ID-T-USAG-PoM/SitePages/Installation-Facility-Usage-Rules.aspx?Mode=Edit>), to the LRC-PoM Food Service Division for approval. All DFAC requests must be submitted one (1) week (7 days) prior to date of meal service.

12. Proponent. The proponent for this policy is the Logistics Readiness Center (LRC) PoM Food Program Management Office (FPMO) at 831-242-6160 or 831-242-6542.
