- b. Army Regulation (AR) 30-22, the Army Food Program.
- c. DA PAM 30-22, Operating Procedures for the Army Food Program.

2. Purpose: To prescribe the conditions under which authorized personnel are permitted to dine in the POM Appropriated Fund WRs.

3. Applicability: This policy applies to all authorized personnel who are given approval to dine in the POMs Appropriated Funded WRs.

4. Proponent: The proponent for this policy is the Logistics Readiness Center (LRC) POM Food Program Management Office (FPMO) at 831-242-6160 or 831-242-6542.

5. Warrior Restaurants. The WRs are established for the purpose of feeding enlisted Service Members (SM) who are authorized Subsistence-in-Kind (SIK). SMs who are not authorized to receive Basic Allowance for Subsistence (BAS) are entitled to subsist without charge. SIK is government meals furnished to the SM rather than money in lieu thereof; that is, meals instead of the full BAS entitlement. No increase in resources will be made available to subsisting personnel other than SIK.

6. The adequacy of Warrior Restaurant space, equipment, manpower and the potential impact on the quality of assistance to SIK diners; the nature, location, and hours of duty for potential cash customers; and the suitability and availability of non-appropriated fund food service facilities and local civilian feeding establishments have been considered and it has been determined that reimbursement at Chay and Belas Hall WRs are at the DoD Standard Meal rates prescribed in the DoD FMR 7000.14-R, Volume 12, Chapter 16 (Food Service Program). The Discount Meal Rate will be charged to spouses and other dependents of enlisted personnel in pay grades E-1 through E-4.

7. Service Unit S1s. The unit S1 shall provide a list of current SIK personnel using the WRs Point of Sales automated headcount systems to the FPM for Meal Entitlement
