

NSSC SHARP PROGRAM

Sexual harassment and sexual assault are inconsistent with our Army values. The Natick SHARP program aims to enhance Army readiness through the prevention of sexual assault, sexual harassment, and associated retaliatory behaviors while providing comprehensive response capabilities.

**Natick SHARP 24/7
Hotline Number:
508-395-9141**

If you or someone you know needs to discuss sexual harassment or sexual assault, the SARC or a Victim Advocate can confidentially explain options and resources. Special Victims' Counsel (SVC), Mental Health and Chaplain are additional confidential resources that are available.

The Natick SHARP 24/7 hotline is continuously staffed by a credentialed SARC or Victim Advocate. The DoD Safe Helpline is also available 24/7 or online at www.safehelpline.org

The SHARP team is here to support all members of Team Natick.
