### U.S. ARMY REACH-SPOUSE

We are looking for new REACH-Spouse facilitators willing to:

- go through REACH-Spouse facilitator training consisting of a self-paced review of the Facilitator's Manual and other program materials and a coaching session with our team;
- 2) recruit military spouses, and
- 3) lead two REACH-Spouse sessions with a different group of 10-15 military spouses anytime between June-August, 2023.

Our team is excited to report that we are now in the middle of field-testing REACH-Spouse as part of a study sponsored by Military Community and Family Policy, the goal of which is to empower military spouses to practice self-care and access help if and when needed, not just for themselves, but for their entire family. REACH-Spouse also helps military spouses better understand their Service member's barriers to care and how to intervene and offer support.
