**PUBLIC SCOPING MEETING
Parks Reserve Forces Training Area
Plans to Renovate and Upgrade Five Ranges**

**Tuesday, May 24, 2016
6 to 8 pm
Alcosta Senior & Community Center
Garden View Room
9300 Alcosta Boulevard
San Ramon, CA 94583**

On May 24 at 6 p.m., Parks RFTA is hosting a public meeting at the San Ramon Senior Center on 9300 Alcosta Blvd, San Ramon, CA 94583 to inform the community about its small arms range modernization and safety upgrades. The briefing is part of the National Environmental Policy Act process and we welcome all concerned to provide input.

The scoping meeting is intended to provide the public with information about the five affected ranges and the types of training being considered.

In addition to analyzing reasonable foreseeable cumulative impacts of the proposed actions, the analysis will include a no Action Alternative. Under the No Action Alternative, the ranges would continue to remain closed and no renovations or upgrades would occur.

The NEPA documentation of this meeting will be available for public review and comment. The public comment period will be at least 30-days.

To provide written comments, please submit to:
