5th Brigade (HS)
94th Training Division (FS)

About 5th Brigade (HS)

5th Brigade Health Services (HS) is one of five brigades subordinate to the 94th Training Division (Force Sustainment), 80th Training Command (TASS).

Through our Headquarters and five TASS Battalions spread across the continental United States, 5th Brigade (HS) expertly trains Active Army, Army Reserve, Army National Guard, and Active Guard Reserve Soldiers in Professional Military Education (PME), MOS Re-Classification and Re-Certification training.

Vision

Provide quality Career Management Field (CMF) 68-Series MOS, NCOES, and functional training using highly-skilled Instructors, a responsive staff, and value-added customer service.

Health Services

Mission

5th Brigade (HS) serves as a reliable force multiplier to the AMEDDC&S, fully certified to deliver approved Programs of Instruction (POI) in a professional and rigorous training environment in order to expand the USAR, ARNG, and AA's pool of ready, highly trained AMEDD NCO's. During peacetime, we conduct 68E Military Occupational Specialty (MOS) re-classification courses, select Health Services Noncommissioned Professional Development System (NCOES) courses, and 68W Re-certification courses at designated training locations.
