

USAG Poland DES

POV Registration Checklist

First step - paperwork:

1) Vehicle registration documents you need upon your arrival:

- a) for EU registered vehicles, including USAREUR-AF, you just need your current registration document.
- b) for US vehicles, you need: your current registration document; otherwise, the vehicle title accompanied by a bank letter if the bank is a vehicle lienholder, which letter authorizes the vehicle owner to have it registered in Poland; if there is no lien, no bank letter is needed.

All those documents must be translated into Polish by a certified (sworn) translator, (available on-site).

2) Your Orders or LOI with authorization for POV registration services

3) Copy of your valid US driver's license and passport

After collecting all required documents, please send PDF copies to:

bartlomiej.j.lotocki.ctr@army.mil

Please be prepared to provide the originals of those documents during your visit in the Polish DMV office.

Without ORIGINAL DOCUMENTS, you will not be able to register your POV in Poland.
