## Appointment Control Number Confirmation

Member Name: [REDACTED]

Below is your Appointment Control Number (ACN) from United Concordia.

You must give this number to your United Concordia dentist. If you need assistance locating a dentist near you, please use our Find a Dentist tool to search for United Concordia network dentists near your home or work.

This OCONUS *Find a Dentist* application is available to help **remote OCONUS ADSMs** find a TRICARE OCONUS Preferred Dentist (TOPD). TOPDs have been trained on ADDP requirements, meet ADDP quality criteria, will **not** request payment from ADSMs (authorized/approved ADDP care is paid for by the Government), and will file all ADDP claims.

**Important!** Remote OCONUS ADSMs may self-refer for routine care (e.g., dental examination and cleaning); however, OCONUS ADSMs **MUST** receive an appointment control number (ACN) from United Concordia prior to receiving ANY civilian dental care. For this reason, it is **strongly recommended** that all remote OCONUS ADSMs contact United Concordia for assistance with obtaining an ACN and appointment scheduling.

OCONUS ADSMs can reach United Concordia by telephone at 1-844-653-4058 (country-specific access codes available [here](#)).

# EMERGENCIES

---

- Emergency dental care includes any treatment that you may need to relieve pain, treat infection, or control bleeding. When needed to relieve pain and infection, some root canal treatments fall under emergency dental care. But your crowns, bridges, and denture services don't count as emergency dental care.
- Most providers will not see you without authorization or ACN.
- It only takes a few mins to request.
