POV De-registration Checklist

First step - contact POV Registration Office

- Please plan your POV de-registration accordingly. Before you decide to de-register your POV, please contact POV Registration Assistant ahead of time, so that de-registration appointment can be made with the local DMV Office.
- 1) **Make sure that technical inspection stamp in your vehicle registration card is valid to enable completion of POV de-registration process!**
 - 2) Items needed to de-register your POV from the DMV:
 - a) vehicle registration card
 - b) current Polish plates (cleaned)
 - 3) **POV de-registration fee: 127 PLN (CASH)**, you will receive PL export plates, a de-registration decision and vehicle registration card from PL DMV. Export plates will be valid for 44 days.
 - The **EXPORT PLATES** will stay with the customer. After the de-registration, please contact your insurance company.

Once you have deregistered your POV, there will be no option to extend the validity of your 44-day export plates.
