MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Garrison Policy Memorandum #22 – Key and Essential (K&E) Personnel Housing and Designation

1. References:

- a. Army Regulation (AR) 420-1 (Army Facilities Management (RAR)).
- b. Community Development and Management Plan (CDMP), Volume IV, 2004.

2. Purpose: To establish policy on assignments of limited K&E designated housing.

3. Applicability: All current and incoming personnel assigned to K&E positions and all personnel occupying K&E housing.

4. Intent: JRTC and Fort Johnson desires to manage limited resources to appropriately house all K&E personnel in order to best utilize their special talents in the important positions for which they were selected.

5. Guidance:

a. All incumbents assigned or scheduled for assignment to positions identified in Tiers 1A/1B and 2A/2B who desire to reside off-post must first obtain approval from the Commanding General. A memo requesting to reside off-post will be routed thru the Garrison Commander, 30 days prior to arrival, for review and decision.

b. Effective immediately, all outgoing K&E personnel on orders will be required to vacate quarters seven days prior to relinquishing any K&E position. If a K&E home is occupied by non-K&E personnel, the non-K&E personnel is also required to vacate quarters seven days prior to their relinquishing their respective position(s).

c. A request for an exception to this policy for an outgoing K&E individual to remain in currently assigned quarters must be submitted 30 days prior to the position relinquishment. This includes former K&E personnel who are occupying K&E quarters and are on Temporary Change of Station for a deployment or are assigned on a Worldwide Individual Augmentee System tasker.

d. I receive exceptions to policy and provide recommendations to the CG for approval/disapproval of the exception to policy. Approval of an exception to policy will be based on the ability of the Residential Communities Initiatives partner to appropriately house all incoming K&E personnel in the same type and size quarters.

e. When considering an exception to policy, preference will be given to arriving K&E personnel versus departing K&E personnel.

6. Key & Essential Personnel: K&E personnel are divided into Tiers 1A/1B and 2A/2B. Tier A positions will be given priority over Tier B positions. Tier B positions will be placed if designated quarters are available once all Tier A positions are housed.
