SUBJECT: Supplement to JRTC and Fort Polk Policy #16 – Withholding of Authority – Breaches of Order to Restrict Movement

1. Effective immediately and in accordance with paragraph 5, JRTC and Fort Polk Policy 16, I reserve authority to take administrative and military justice disciplinary action on all violations of orders to restrict movement, quarantine, or isolate issued in connection with the current response to the world-wide outbreak of what is commonly known as Coronavirus (further known as COVID-19). This reservation will remain in effect until revoked.
2. All suspected violations will be reported through the chain of command to me and the Staff Judge Advocate within 2 hours of discovery.
3. Investigations into suspected violations of orders to restrict movement, quarantine, or isolate will be coordinated with the unit's servicing legal advisor and will be initiated expeditiously in order to capture data and information as soon as possible.
