

Commander's Fact Sheet

Transition Assistance Program (TAP) delivers transition services that ensure all eligible transitioning Soldiers have the training and counseling necessary to be successful as a civilian. TAP Centers hold enhanced hiring events and other opportunities to meet with prospective employers and connect to civilian opportunities.

Commander's Program: The unit Commander ensures all transitioning Soldiers use TAP services IAW AR 600-81. Commanders support a Soldier's transition and encourage them to attend additive classes and events to support their transition goals.

* Recommended transition timeline to receive maximum benefit from program.

Additional Resources & Information

The TAP Virtual Center (VC) provides access to required courses, counselors, transition materials, resume resources, and seminars. The Virtual Center and call line are open 24/7. The VC is beneficial for deployed and remote Soldiers, and is available online and at 1-800-325-4715.

The Career Skills Program (CSP) provides Soldiers with the opportunity to participate in apprenticeships, on-the-job training, internships, and employment skills training. For more information, visit <https://home.army.mil/imcom/index.php/customers/career-skills-program>.

There are four Career Tracks offered, each one taking two days. If required, the class and applicable CRS must be completed NLT 3 months prior to transition. They are Education, Employment, Entrepreneur, and Vocational.
