2026 Countdown: 25 days until Campaign Kick-Off
130 days left until end of Campaign

Military Personnel Division

CAC Renewal Identification Requirements

- DMDC requires all individuals renewing a CAC to present two valid, non-CAC forms of identification.
- If these identity documents are not already in the DEERS record, the current CAC cannot be used as one of the required IDs.
- DMDC has emailed individuals who must provide updated non-CAC identity documents.
- We strive to accommodate walk-ins or schedule same day appointments for those traveling from outside the immediate area.
- Office Hours are M-F 0800-1600 with reduced staffing during the lunch hour

For details and scheduling, please visit:
https://idco.dmdc.osd.mil

Limitations on CAC Renewal under one year for Army Contractors

- Short Term CACs require:
  - A memo from the Contracting Officer (KO) stating the contract is in rebid/award and listing the anticipated new contract end date (including Option Years).
  - KO/COR memos must be sent to michael.a.dotson.civ@army.mil for approval ***before*** CAC issuance
  - No policy exceptions can be made.
- This policy applies to all Army contractor CACs, regardless of where the card is issued.
- Military and GS personnel (including foreign nationals) may receive CACs under one year without APO approval.

Direct further questions to:
usarmy.knox.hrc.mbx.apo-requests@army.mil

01 DEC – 21 JAN Arrivals

- Service Members had issues with rejected SmartVouchers due to local MPD processed arrival actions creating a contractor signed amendment to their orders.
- IMCOM / DFAS level solution pending as of 26 JAN

Protection Executive Committee
WHO: Senior Commander, Garrison Commander, MSCs Command Teams/representatives/ATOs, Directorates, Agencies, Separate Detachment Representatives.
WHAT: Mid-year Protection Executive Committee (PEC)
WHEN: 271330APR26
WHERE: TBD (MTC theater or AAR theater)
WHY: Is a semi-annual requirement IAW Army Regulation 525-13, Antiterrorism. This PEC is a holistic and comprehensive assessment of the threats and mitigated risk to the installation, the community and mission.
NOTE: End of year PEC will be AUG 26, when and where TBD.

Full Scale Exercise (Rail and HAZMAT)
WHO: JRTC and Fort Polk, Canadian Pacific Kansas City Railway (CPKC) and surrounding Communities
WHAT: Full-Scale Exercise (FSE)
WHEN: 1-5 June 2026 (3 June 2026 Actual Exercise)
WHERE: IVO Exchange Road
WHY: Is an annual requirement IAW Army Regulation 525-27 Emergency Management and 525-13 Antiterrorism. To test the installation's ability to Respond to and Contain the Incident, Shorten the Duration, Speed Recovery, conduct Mission Command, and facilitate shared understanding at all echelons of inherent responsibilities as it relates to a HAZMAT event .

2026 Severe Weather Brief
WHO: Senior Commander, Garrison Commander, MSCs Command Teams, Directorates, Agencies, Community Partners, Residential Mayors.
WHAT: All Hazards Mitigation CONPLAN for Severe Weather
WHEN: 4 May 2026
WHERE: AAR theater #1
WHY: To Provide the Senior Commander and Command Teams a holistic and mitigation strategy to prevent and protect the Installation and its residents from the effects of severe weather.

JRTC & Fort Polk Memorialization

Honoring Heros at “**The Home of Heroes**” Memorialization Board
DTG: TBD
POC for Nomination Packet : Eric Hayes eric.a.hayes6.civ@army.mil
Nomination Criteria: Deceased, Distinguished service while serving at Fort Polk

CORVIAS & AHO

BAT MITIGATION DEVICES

Protecting residents while ensuring humane wildlife management.

Corvias uses specialized devices to **safely and humanely relocate bats** when needed.
These devices are installed **only when required** and should **not be removed** or **tampered with**.

Bat Cone (Left)

- ✓ **Used for one-time bat occurrences**
- ✓ **Allows bat to exit structures without re-entry**

Bat Sonar Device (Right)

- ✓ **Used for reoccurring bat activity.**
- ✓ **Emits ultrasonic sound frequencies that deter roosting.**
- ✓ **Harmless to bats, people and pets**

Tenant Satisfaction Survey

Start Date: March 02, 2026

Who Receives It: Primary Lease Holders

How: Email invitation from CEL & Associates with a direct link to the survey. “Be on the look out”

Important: If you notice these devices in your neighborhoods, do not disturb them. If you experience bat activity on your home, contact your Community Center to submit work orders.

Name: Lisa Chandler, Leasing & Resident Manager
Directorate: Corvias
Phone #: 337-537-5060
Email: lisa.chandler@corvias.com

Leaders: Please ensure Soldiers and Families are aware and encouraged to participate.

DPW – American Water

American Water and their subcontractors are performing construction projects in South Fort Housing (SFH) as shown in the red designated areas. The projected end date is March.

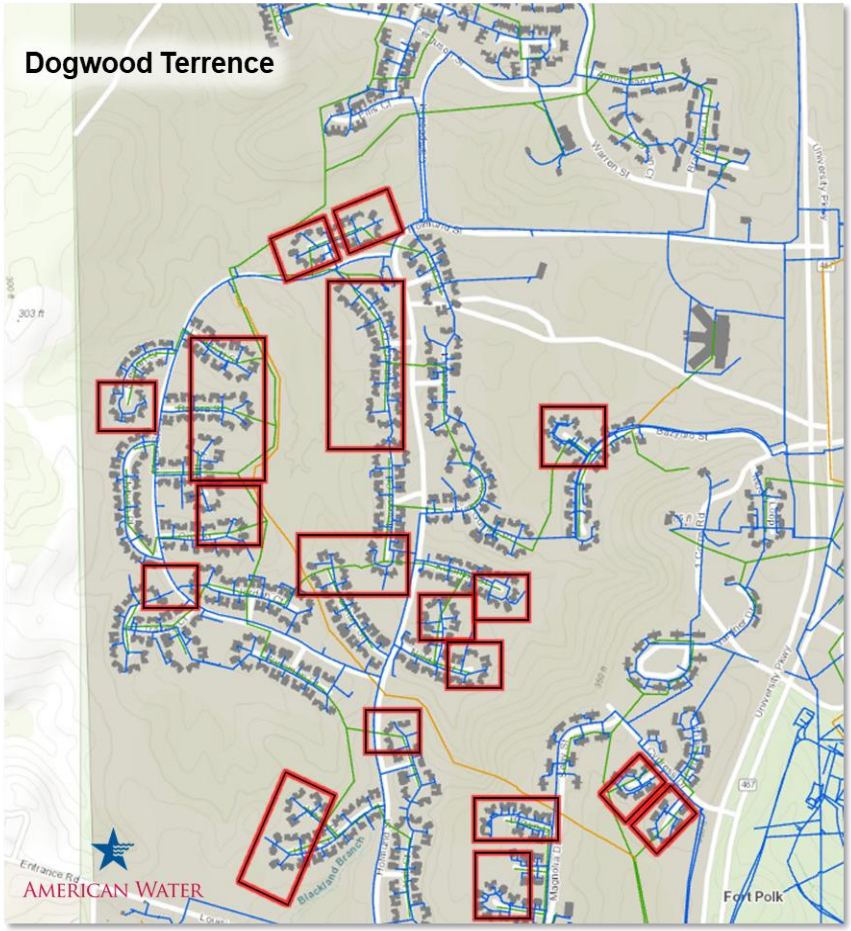

There will be an increase in outages in the next few months because of connecting service lines. We apology for the inconvenience that may be experienced. We will keep them to minimum as much as possible. We will continue sending out information regarding outages to Corvias and posting the information on the My Army Post app.

Phase 2 Waterline Looping Project:

Prohibition of Motorcycle Cuts on Fort Polk

DEPARTMENT OF THE ARMY
HEADQUARTERS, JOINT READINESS TRAINING CENTER AND FORT POLK
6661 WARRIOR TRAIL, WOODFILL HALL
FORT POLK, LOUISIANA 71459-5339

AFZX-CG 11 Jun 25

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Joint Readiness Training Center (JRTC) and Fort Polk Policy 17 - Prohibition of Motorcycle Cuts on Fort Polk

1. References.

a. Army Regulation (AR) 600-20, Army Command Policy

b. Uniform Code of Military Justice, 10 U.S.C. §§ 801-946

c. 50 U.S.C. § 797, Penalty for violation of security regulations and orders

d. JRTC and Fort Polk Regulation 190-5, Fort Polk Traffic Code

2. Purpose. To establish policy and guidance regarding prohibited attire and displays on the JRTC and Fort Polk installation and to prohibit the wear of Motorcycle Gang colors and/or cuts for individuals while on the installation.

3. Applicability. This policy is applicable to all personnel who enter the JRTC and Fort Polk Installation.

4. Policy.

a. In accordance with AR 600-20, paragraph 4-12, the wearing or display of colors, badges, symbols, patches or other accoutrements signifying an individual as a member or affiliated with a particular identifiable group that poses a threat to good order and discipline is prohibited on the installation. While operating a vehicle, the wearing and/or display of any motorcycle colors and/or cuts is prohibited.

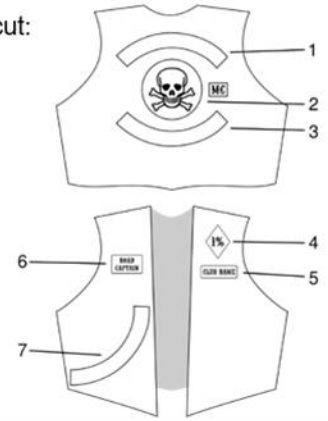

b. Cuts may not be worn on the JRTC and Fort Polk installation. Cuts are usually made of leather or denim jackets with sleeves removed, or cut very short, and are adorned with patches, badges, and/or painted artwork that display motorcycle club affiliations known as colors.

a. Cuts are prohibited from wear on Fort Polk. Cuts are usually made from leather or denim jackets with their sleeves removed, or cut very short, and often adorned with patches, badges, and painted artwork that display motorcycle club affiliations also known as colors.

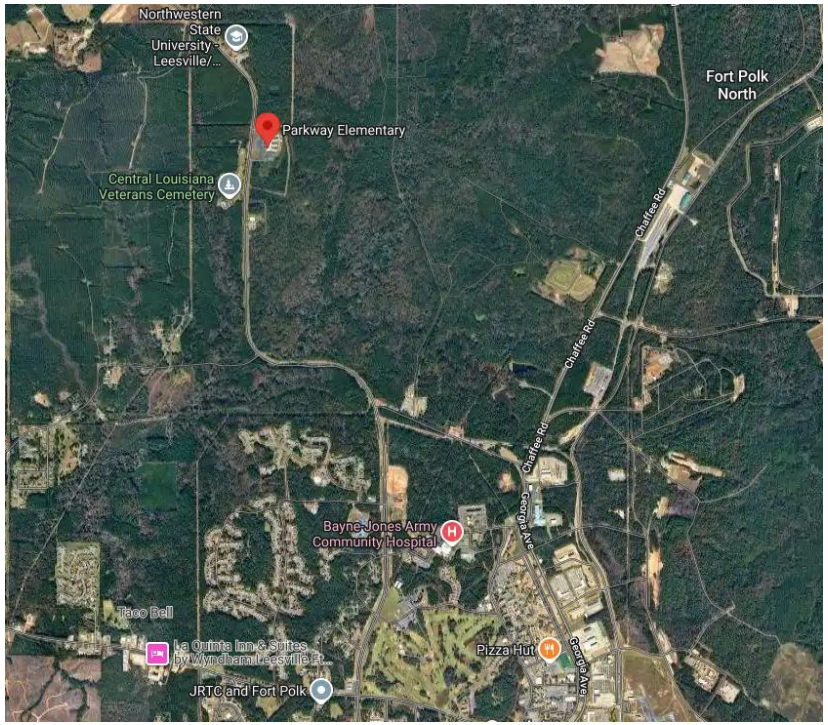

b. The illustration provided is an example of a cut:

(1) Top rocker – used for a club name
(2) Club Logo plus MC/RC patch
(3) Bottom Rocker – used for territory
(4) 1% signifying "outlaw" intent
(5) Club name or location
(6) Office or rank held within club
(7) Side patch – usually a club saying

Speeding on HWY 467

Recent speeding offenses have been caught on HWY 467 with speeds 15-40mph over the posted speed limit. Fort Polk Police, Leesville PD, and LHP are aware this is a hot-spot for speeding and are out enforcing the limit. Please abide by the posted speed limit especially during school hours.

Coffee With a Cop:

- Coffee with a Cop brings police officers and the community members they serve together–over coffee–to discuss issues and learn more about each other.
- ~~Jan 17 @ Maple Community Center~~ **Complete**
- Feb 21, 0900 @ New Palmetto Community Center
- Mar 28 @ Dogwood Community Center

Installation Safety

Upcoming

- 3/10 Mountain Peak
- RTN 26-03/05 arrival to Fort Polk
- Expect increased traffic flow
- Obey speed limits in crossing zones (North Polk Shoppette / Pizza Hutt)(Glass House)
- Avoid parking in construction zones
- Avoid PT crossing construction zones

In cold weather, children should never wear thick, bulky jackets or snowsuits under car seat harnesses, as this prevents a snug fit and compromises safety in a crash. Instead, tighten the harness over thin layers, then place blankets or the child's coat on top of the harness for warmth.

Seat belts: Buckle up! it's the LAW

FREE child Seat Install
