MEMORANDUM FOR ALL US ARMY GARRISON RHEINLAND-PFALZ (USAG RP)
PERSONNEL

SUBJECT: Command Policy #2, Sexual Harassment/Assault Response and Prevention

1. Every day around the world, the overwhelming majority of Soldiers and Army Civilians honorably and capably meet the standards embodied in our Army Values. Offenses by a few however, erode the trust that has been the hallmark of our success. Sexual assault is a crime, and will not be tolerated. As the garrison commander, I have an obligation to safeguard America's sons and daughters, as well as maintain trust between Soldiers, Civilians, Families and our Local Nationals.
2. I am personally committed to ensuring, within the ranks of our organization, that everyone is treated with human dignity and respect. Treating everyone in this manner encourages productivity and ensures the garrison meets our mission.
3. I will ensure we execute prevention, policy, training and education actions to mitigate these sorts of incidents. As a leader, I will ensure we meet the obligation to protect and advocate for victims starting with the initial report, and professionally investigate each report and take appropriate action. We can and will get ahead of this with a committed, dedicated chain of command and Army garrison professionals.
4. All Active Duty personnel and Family Members over the age of 18 who have been sexually harassed or have experienced a sexual assault should report the harassment or assault to the Sexual Harassment/Assault Response and Prevention (SHARP) Sexual Assault Response Coordinator (SARC), SHARP Victim Advocate (VA), healthcare provider, or Chaplain. The two options available to report a sexual assault are Restricted and Unrestricted reporting. Both options allow the individual to access medical, behavioral health, and advocacy services. These options apply to personnel associated with the USAG RP and are outlined at www.sexualas06221940sault.army.mil. A SHARP SARC or VA is available to discuss these options on their 24/7 hotline at 49(0)631-413-7280.
