MEMORANDUM FOR All Personnel Working and Living within the United States Army Garrison Rheinland-Pfalz (USAG RP) Footprint

SUBJECT: Command Policy Letter # 9 - USAG Rheinland-Pfalz (USAG RP) Environmental Stewardship

1. References:

- a. AE Reg 200-1, Environmental Protection and Enhancement, 8 May 2012.
- b. DOD, German Final Governing Standards (GFGS), July 2017.

2. The USAG RP is committed to protecting the environment to support the mission in accordance with GFGS. Each individual, garrison wide, must remain dedicated to continually improving processes in an effort to conserve both the environment and government resources by:

- a. Complying with the Final Governing Standards for Germany and all applicable legal requirements;
- b. Promoting sustainability of natural and man-made resources;
- c. Implementing pollution prevention training and opportunities;
- d. Incorporating environmental requirements into all programs and missions;
- e. Continuously reviewing activities and services to identify significant aspects for continual improvement;
- f. Promoting hazardous waste and material minimization;
- g. Conserving energy and water;
- h. Effectively communicating this environmental policy to all personnel within the footprint of the organization.

3. Point of contact for this policy is Mr. Hans-Karl Betzhold, Chief, Environmental Management Division, Directorate of Public Works, at DSN 541-4737.
