AT/FP Month

The U.S. Army Garrison Rheinland-Pfalz reminds you August is Anti-Terrorism/Force Protection Month.

AT/FP is a success, but terrorist threats have persisted and diversified.

Terrorism will remain a pressing challenge to international peace and security.

Terrorists will seek to exploit new technologies to gain an edge over governments.

USAG RP uses the iWatch and iSalute apps to report anything suspicious.

If you see something, say something.

Don't worry about reporting something suspicious and being wrong. What if you don't report it and you were right?
