MEMORANDUM FOR ALL US ARMY GARRISON RHEINLAND-PFALZ (USAG RP)
PERSONNEL

SUBJECT: Policy Memorandum #2, Substance Abuse Prevention and Deterrence
Policy

1. REFERENCES.

- a. AR 600-85, 28 November 2016, The Army Substance Abuse Program
- b. AR 350-1, 10 December 2017, Army Training and Leader Development
- c. AR 60-63, 14 April 2015, Army Health Promotion
- d. Army Directive 2016-15 Change in the Army's Random Deterrence Drug Testing Program

2. PURPOSE. To provide guidance on prevention and deterrence of substance abuse issues.

3. APPLICABILITY. This policy applies to all Department of the Army (DA) personnel assigned to Army support activities and U.S. Army elements (USAE) of Rheinland-Pfalz.

4. POLICY. All US Army Soldiers assigned in the Rheinland-Pfalz area of operation will comply with this policy to sustain force readiness.

5. PROCEDURES.

a. Soldiers will receive mandatory substance abuse awareness training annually. A copy of the sign-in roster containing topic, facilitator, attendance and length of the training must be provided to the Army Substance Abuse Program (ASAP) within five (5) working days upon completion of training.

b. Company Commanders will ensure random testing for 10% of the Soldiers per month and all Soldiers assigned are tested a minimum of once per year in the ongoing deterrence process. All specimens must be processed with ASAP within five (5) working days upon completion of training. A signed memo by the Company Commander must accompany the specimens when they have exceeded five (5) working days in storage.
