U.S. Army Garrison Rheinland-Pfalz Holds Force Protection Exercise

FOR IMMEDIATE RELEASE

KAISERSLAUTERN, Germany – U.S. Army Garrison Rheinland-Pfalz will conduct a routine force protection exercise on its installations throughout Kaiserslautern, Baumholder, Mannheim, Germersheim, and surrounding areas the week of 3-7 February 2025.

During the exercise, the local community may notice increased security measures at installation gates and access control points, which may cause traffic delays. We appreciate your patience as it is vital that we practice our protection protocols through exercises like this one.

Members of the media with questions about the exercise can call the U.S. Army Garrison Rheinland-Pfalz public affairs office at 0611 143 541 2000, or email Tammy Muckenfuss at tammy.e.muckenfuss.civ@army.mil.
