- After two years of satisfactory service, the agency must convert the veteran to career or career-conditional appointment.

# 180-Day Restriction on Hiring Retired Military

## How does the 180-Day Restriction on Hiring Retired Military Impact Me?

- The Department of Defense (DOD) has restrictions on hiring military members for DOD Federal civilian positions within 180 days of retirement. This includes and impacts military members on transition leave.
- Military retirees may not be appointed within 180 days after the effective date of military retirement as an appropriated fund (GS), or non-appropriated fund (NAF) civilian employee unless the position is covered by a special salary.
- The 180-day restriction is in place unless the hiring official requests and receives an approved waiver.
- **This restriction does not apply to positions with other federal government agencies.**

# Appointment of Recently Retired Service Members

To help ensure that retired military members are not given civil service positions for reasons other than merit, Department of Defense components may appoint retired members of the Armed Forces to a position in the civil service in or under the Department of Defense (both APF & NAF positions) during the period of 180 days immediately after their retirement only if they meet one the following conditions:

- The proposed appointment is authorized by the Secretary concerned or their designee for the purpose, and, if the position is in the competitive service, after approval by the Office of Personnel Management, or
- The minimum rate of basic pay for the position has been increased under section 5305 of Title 5 of the United States Code.

*The authority to approve waivers of the 180-day restriction has been delegated from OPM to DOD, from DOD to Headquarters Department of the Army (HQDA), and from HQDA to Army Commands.*

# Veterans Preference

To receive preference, a veteran must:

- Have been discharged or released from active duty in the Armed Forces under honorable conditions (i.e., with an honorable or general discharge). *As defined in 5 U.S.C. 2101(2), "Armed Forces" means the Army, Navy, Air Force, Marine Corps, Space Force, and Coast Guard; and*
- Be eligible under one of the following preference categories:
  - CPS - Disability rating of 30% or more (10 points)
  - CP - Disability rating of at least 10% but less than 30% (10 points)
  - XP - Disability rating less than 10% (10 points)
  - TP - Preference eligibles with no disability rating (5 points)
  - SSP - Sole Survivorship Preference (0 points)

# Veterans Preference (Cont'd)

- Military retirees at the rank of major, lieutenant commander, or higher are not eligible for preference in appointment unless they are disabled veterans. (This does not apply to Reservists who will not begin drawing military retired pay until age 60)
- For non-disabled users, active duty for training by National Guard or Reserve Soldiers does not qualify as "active duty" for preference.
- When applying for Federal jobs, eligible veterans should claim preference on their application or resume. Applicants claiming 10-point preference must complete Standard Form (SF) 15, Application for 10-Point Veteran Preference at [https://www.opm.gov/forms/pdf\\_fill/sf15.pdf](https://www.opm.gov/forms/pdf_fill/sf15.pdf), and submit the requested documentation.

Visit this site to learn more about veterans preference:

<https://webapps.dol.gov/elaws/vetspref.htm>

# Veterans Opportunity to Work

**The Veterans' Opportunity to Work (VOW) Act** requires Federal agencies to treat active military members as veterans, disabled veterans or preference eligibles when applying for appointments in the competitive service. Most service members begin to apply for civilian positions while still on active duty. As such, they do not have access to their DD Form 214, Certificate of Release or Discharge from Active Duty, for submission with their application for employment.

- The VOW Act enables active-duty service members to provide a certification of service in lieu of a DD 214.
- The certification must be a written document stating that the veteran will be released or discharged under honorable conditions no later than 120 days after submission of the certificate. The certification letter should be on the letterhead of the appropriate military branch of service and contain:
  - Military service dates, including the expected discharge or release date, and
  - Character of service.
- Based on the certification, agencies will grant tentative veterans' preference to the service member. The tentative veterans' preference granted to the service member applicant must be verified using a DD 214 prior to appointment.

# **Military Retired Pay and Other Financial Considerations**

# Calculate Your Retired Pay in 3 Steps

**Step 1**: Determine your Date of Initial Entry into Military Service (DIEMS).

**\*\***This is the date of your initial service contract. This date does not change regardless of breaks in service or changes in duty status

**Step 2**: Determine which pay plan you are eligible for based on your DIEMS

**Step 3**: Use the appropriate formula to calculate your retired pay (see following slides)

- You can find your DIEMS by logging into IPPS-A at <https://ipps-a.army.mil/> (CAC only) or by using the mobile app (DS Logon only).
- To register for a DS Logon account, go to DMDC Registration page at <https://myaccess.dmdc.osd.mil/identitymanagement/app/login>.

***For a fast, personalized retired pay calculation***, go to the MyArmyBenefits Retirement Calculators at <https://myarmybenefits.us.army.mil/NEW-Benefit-Calculators/Retirement-Calculator>

# Dividing Retired Pay as Property if Divorced

## Uniformed Services Former Spouses' Protection Act (USFSPA)

- **NOT AUTOMATIC**

- Up to state courts and can be any amount

- For divorces after 23 December 2016, a service member's disposable income to be divided is limited to the amount of basic pay based on pay grade, years of service, and pay table at the time of the court order with COLA increases, and the date of divorce will be used to calculate a share of retired pay, NOT the retirement date under T10 USC section 1408.
- Award not tied to length of marriage
- DFAS direct payment requirements:
  - Marriage overlapped 10 years with service
  - Limited to 50% of "disposable" retired pay\*\*

*\*\*In cases where there are payments both under the USFSPA and a garnishment for child support or alimony, the total amount payable cannot exceed 65% for garnishments.*

  - You can have unlimited non-discretionary allotments.
- For recalled Soldiers at retirement:

- Can start/stop/change allotments in **myPay** at <https://myPay.dfas.mil>
- More information available at: <https://www.dfas.mil/retiredmilitary/manage/allotments.html>
- Instead of creating an allotment through DFAS, some allotments can be easily and freely set up directly with your bank to pay bills (e.g., life insurance) or save for the future (e.g., transfer to another bank account).

# Thrift Savings Plan

- You stop contributing to TSP at retirement
- Your options at retirement:

- If moving, make sure that you fill out the Form TSP-9 when separating for change of address
- TSP info: <https://www.tsp.gov/>

# Thrift Savings Plan (Cont'd)

## Account Withdrawal Deadline

- If you decide to leave your money in the TSP, be aware that you will be required to start withdrawing your money when you turn age 73.
- As a helpful reminder, the TSP will notify you before your required withdrawal date and mail you important tax information about your TSP withdrawal, as well as information about the IRS required minimum distributions.

**Federal taxes are due on all retired military compensation**

**Home of Residence is the determining factor; not Home of Record!**

Note: The Military Spouses Residency Relief Act (MSRRA) allows spouses of military personnel to declare the same state of legal residency as their spouse for state tax purposes

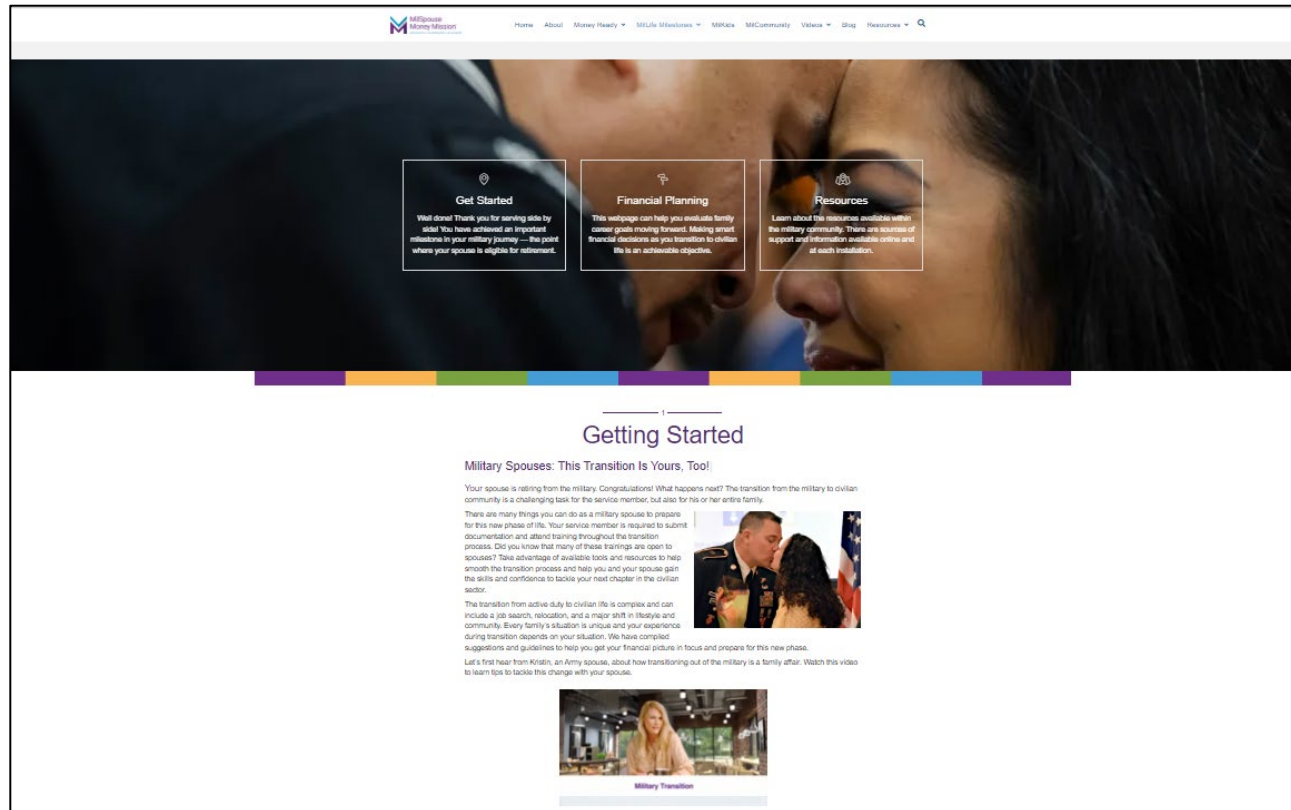

***You pay NO Social Security or Medicare tax on retired pay. You'll collect full Social Security benefits when you reach the age of eligibility!***

\*State taxes as of 17 April 2025. Conditions or limitations apply. Check state law. See the MyArmyBenefits state fact sheets at <https://myarmybenefits.us.army.mil/Benefit-Library/State/Territory-Benefits> for details.

# Separation History and Physical Exam (SHPE)

## Separation Health Assessment:

The Separation Health Assessment is a medical evaluation used by the Department of Defense (DOD) and the Department of Veterans Affairs (VA)

- In the DOD, it is referred to as the “Separation History and Physical Examination (SHPE)” - A SHPE up to 90 days prior to retirement date must be validated as current not more than 30 days before the retirement date
- In the VA, it is called a “Separation Health Assessment” - When conducted by the VA, an exam up to 180 days prior to the date of retirement from active duty is acceptable (must be validated by a DOD official)

## Soldiers who are retiring:

- Only need one exam
- Exam may be completed at a military hospital or clinic (<https://www.tricare.mil/MTF>) or at a VA facility (<https://www.va.gov/find-locations/>)

## The Separation Health Assessment documents and assesses your:

- Medical history
- Medical concerns identified during your military career
- Current health status

# SHPE – How it Works

- Schedule your exam at a military hospital or clinic, or VA facility, well in advance of your scheduled separation date. (see locator links on previous slide)
  - If you're filing a VA claim, schedule it no later than 90 days before your retirement date.
  - If you're taking extended terminal leave, it's best that you schedule at a military hospital or clinic.
- Before the exam, complete DD Form 2807-1 (Report of Medical History) at <https://www.esd.whs.mil/Portals/54/Documents/DD/forms/dd/dd2807-1.pdf>
- The assessment results are then accessible by both the DOD and VA. You can also access them by clicking on the Health Record tab at <https://my.mhsgenesis.health.mil/>. You won't need another exam if you decide to file a VA claim.

# Medical Records

- Belong to the government per AR 40-66, Medical Record Administration and Healthcare Documentation.
- You should make a copy of your records, and your family members' records as it may be difficult to obtain copies of medical records after retirement.
- You can view and download personal health information from your DOD electronic health record if you get care at military hospitals and clinics, and you're a registered user on the MHS GENESIS Patient Portal at <https://my.mhsgenesis.health.mil/>
- To request a complete copy of your health record, you can submit an SF 180 (Request Pertaining to Military Records) to the applicable record location as identified on the form (go to <https://www.archives.gov/veterans/military-service-records/medical-records.html> for more information. Requests can also be made in person at your last military hospital or clinic.

- Presentation of the U.S. Army Retired Lapel Button has been required by Army policy since 1968
- Interesting fact, only 17% of Soldiers in the Army serve to retirement

# **Travel and Transportation, and Personal Property Household Goods**

# Travel & Transportation

A statement of non-availability from the supporting transportation office is required when government-procured transportation is not available.
- Soldiers may be eligible to ship additional dogs and cats at personal expense via the Patriot Express Air Mobility Command Flight.

For additional information go to: <https://www.amc.af.mil/Home/AMC-Travel-Site/AMC-Pet-Travel-Page/> (AMC Pet Travel Website)

# Travel & Transportation (Cont'd)

## Time Limit on Travel & Transportation Allowances

- Extensions may be requested prior to the third anniversary of the retirement date, and each year thereafter, up to a maximum of six years
- Additional Info Sources: Defense Transportation Regulation 4500.9-R, found at <https://www.ustranscom.mil/dtr/dtrp4.cfm> and the Joint Travel Regulation at <https://www.defensetravel.dod.mil/Docs/perdiem/JTR.pdf>

**\*Note: Soldiers whose retirement was before 24 June 2022 may continue to request extensions on an annual basis up to a maximum of six years from the Soldier's retirement date.**

# Personal Property Household Goods (HHG)

Entitlements expire six years from the effective date of the orders

## Extension of the transportation entitlement

- Submit an extension request to the transportation office prior to the retirement anniversary date (see previous slide)

## Local move of HHG

- Authorized from government/privatized quarters to a residence in local area
- Local move radius varies by installation (within service area)
- Does not impact the move to the Home of Selection (HOS) (Exception to Policy sent by transportation office to HQDA G-4)
- HHG may be split between the delivery to the local residence and NTS
- HHG in the residence in the local area and in NTS may be transported to the HOS at a later date
- Local move weight allowances listed in the Joint Travel Regulation, Table 5-37

# Personal Property HHG Storage

## Shipments to multiple locations

- Total weight of all shipments may not exceed the authorized weight allowance
- Total cost of all shipments may not exceed the cost to ship the authorized weight allowance to the HOS in one lot

## Non-temporary Storage (NTS) is always at origin, not at destination

- Begins on the date the order is issued
- Terminates one year from the effective date of retirement
- After the one-year entitlement expires, storage is converted to a commercial account at the Soldier's expense. Contact the transportation office for a delivery out of storage
- When HHG are released for delivery, additional storage is not authorized, it must be a DIRECT delivery
- Think non-temporary storage first, place HHG in NTS when HOS is unknown or delivery address at HOS is unknown, or new house being built
