

The United States Army Garrison Rheinland-Pfalz

Workforce Development

"Compassionate Leadership" - Great leadership is about being compassionate and humane while engaging employees. In this workshop you'll explore the philosophy of author Max Depree's book "Leadership is an Art."

"The Human Drive" - Inspired by Daniel Pink's book "Drive," this course will introduce you to what really drives us as humans and how to harness the passion and dedication of employees.

"Emotional Intelligence" - Explore the importance of having empathy in the workplace. Emotional Intelligence (EQ) is a learned skill that can be strengthened with practice.

"Good to Great" - Why settle for good when your organization can be great? In this workshop, learn the strategies and that can help you move from mediocrity to greatness, inspired by author Jim Collins.

"Accountability" - In this course, we will take a deep dive into personal experiences, the benefits, and how to successfully apply accountability in the workplace.

"Leaders Eat Last" - This course explores the philosophy of author Simon Sinek who believes that True Leaders prioritize the needs of the group over their own to ensure that the group as a whole progresses.

"Teams that Work" - Teamwork is a skill that can be learned. In this course, we will discuss strategies for strengthening teamwork within an organization.

"Responding to Adversity" - Inspired by the book "The Coffee Bean," this course will explore options in response to difficult environments.

"Taking Back Your Happiness" - In an overloaded world of competing pressures, learn how to take back control and find true happiness by using positive energy.

"Improving Internal Team Communication" - Discover your own communication style and reflect on how to better interact with those who have a different style.

"Writing an Army Bio" - This course is designed to assist aspiring military professionals in creating an impactful army bio that effectively highlights their skills, achievements, and experiences.
