EXCEPTIONAL FAMILY MEMBER PROGRAM (EFMP)

EFMP POC: 785-239-1861 / 9435

- Ensure Soldiers with special needs Family members are assigned to installations that can provide the services needed.

- Synchronizes all available services in the support of special needs Families to enhance their Family quality of life.

- Provide information and referral on the resources available both in and outside the installation to fully integrate Families to community's capabilities.

- Individualized assistance is available through our EFMP System Navigator, who specializes in exploring options and services to effectively manage Family needs.

- Coordinate housing exceptions to policy for modifications such as air conditioners, fences and other, to support special needs conditions.

- Provide endorsement for compassionate reassignments, curtailments, extensions when special needs conditions warrant such requests.

- EFMP facilitates monthly support groups and recreational activities to engage Families in positive experiences.
