

Do You Have an Exceptional Family Member (EFM)?

An EFM is a Family member, regardless of age (child or adult), with any physical, emotional, developmental, or intellectual disorder that requires special treatment, therapy, education, training or counseling. The Family member must be enrolled in the Defense Enrollment Eligibility Reporting System (DEERS) to be enrolled in the EFMP. A Soldier who has a Family member who falls into any of these categories MUST be enrolled in the program.

What are Some Common Diagnoses that Qualify for Enrollment into the EFMP?
