**MEMORANDUM FOR COMMANDERS AND UNIT PREVENTION LEADERS**

**SUBJECT: Battalion Prevention Leader (BPL) and Unit Prevention Leader (UPL) Training Certification Course.**

1. The following dates have been projected for UPL Certification training. Please post to your schedules and calendars. If there are any concerns or comments please contact the Drug Test Collection Point (DTCP) staff at 785-239-4151 (4152). BPL/UPL training is a three day training course, and selected individuals for the course must attend all three days to achieve certification. If a student misses any portion of the course they will at a minimum be required to attend those sections of the lessons the following month that were missed and will not be certified until that day.
2. A fourth day is available for the candidate to be certified as a Screening Test Technician to be able to perform breathalyzers at the unit. There is no current requirement for alcohol testing on a monthly basis. However, Soldiers that are enrolled in the SUDCC treatment program may be required to be tested monthly. This testing is to be conducted by the units. To have a Soldier attend the screening test technician certification they must have current UPL certification.
3. BPL/UPL training location is **Building 7424 Apennines Dr. (Army Substance Abuse Program)**. Students are asked to report 10 to 15 minutes prior to class start time, which is 0900. The uniform for military is duty uniform (no PT's) and for civilian students is business casual.
4. **All documentation must be completed prior to scheduled class attendance and turned in at building 7424, Room 124. Required documents are as follows:**

- Commander's UPL Selection Memorandum.
- COMPLETED DA Form 7708 OR verification of Secret / Top Secret security clearance memo.
- Appointment Orders for the BPL/ UPL.

**Updated Unit ASAP SOP signed by the current Commander.**

5. Class registration is on a first come – first serve basis to students that have completed all required documentation. Registration is recommended to take place a minimum of two weeks prior. This is due to the limited class size. Registration must be done **in person with CAC card by the UPL candidate.**
