# **Throughout Your Retirement Planning**

- Gather and study information needed to make critical retirement decisions
- Ensure your Army Military Human Resource Record (AMHRR) in the Interactive Personnel Electronic Records Management System (iPERMS) is accurate and up to date (i.e., your record contains all previous DD Form 214s, Awards, etc.)
- Discuss the information with your Family
- Check out the Retirement Planning Checklists available at <u>https://soldierforlife.army.mil/Army-Retirement/Retirement-Planning/Retirement-Checklists</u> for timelines to assist you throughout your retirement planning process

Reserve/Non-regular Retirement Checklists

#### **BE ALLYOU CAN BE.**

## **Retirement Considerations**

#### Retirement date

- Always the 1<sup>st</sup> day of the month for length of service retirements
- Can be any day of the month for disability retirements

#### Active-duty service obligation

due to promotion, PCS, completion of military or civilian schooling, etc.

#### Transfer of the Post-9/11 GI Bill

Service obligation incurred upon transferring Post-9/11 GI Bill benefits to a dependent is not an ADSO, therefore it <u>may not be waived</u>

#### Reassigned on a PCS

Must complete ADSO requirements to retire (see references below)

### In lieu of PCS

apply within 30 calendar days of alert for a retirement date no more than 6 months (Officer), or 12 months (or the first day of the month after attaining 20 years AFS, whichever is later) (Enlisted), from the date of the PCS alert. See AR 350–100/AR 600-8-24 (Officer), or AR 635-200 (Enlisted)

## Transfer of your Post-9/11 GI Bill

https://milconnect.dmdc.osd.mil/milconnect/

- Since 1 August 2013, Soldiers who transfer Post-9/11 GI Bill education benefits to their dependents incur a **4-year service obligation**
- Members who retire before completing service obligation will incur a debt for any <u>used</u> transferred benefits

### **180-Day Restriction on Hiring Retired Military**

### How does the 180-Day Restriction on Hiring Retired Military Impact Me?

- The Department of Defense (DOD) has restrictions on hiring military members for DOD Federal civilian positions within 180 days of retirement. This includes and impacts military members on transition leave.
- Military retirees may not be appointed within 180 days after the effective date of military retirement as an appropriated fund (GS), or nonappropriated fund (NAF) civilian employee unless the position is covered by a special salary.
- The 180-day restriction is in place unless the hiring official requests and receives an approved waiver.
- This restriction does not apply to positions with other federal government agencies.

### **Appointment of Recently Retired Service Members**

To help ensure that retired military members are not given civil service positions for reasons other than merit, Department of Defense components may appoint retired members of the Armed Forces to a position in the civil service in or under the Department of Defense (both APF & NAF positions) during the period of 180 days immediately after their retirement only if they meet one the following conditions:

- The proposed appointment is authorized by the Secretary concerned or their designee for the purpose, and, if the position is in the competitive service, after approval by the Office of Personnel Management, or
- The minimum rate of basic pay for the position has been increased under section 5305 of Title 5 of the United States Code.

The authority to approve waivers of the 180-day restriction has been delegated from OPM to DOD, from DOD to Headquarters Department of the Army (HQDA), and from HQDA to Army Commands.

### **Veterans Preference**

#### To receive preference, a veteran must:

- Have been discharged or released from active duty in the Armed Forces under honorable conditions (i.e., with an honorable or general discharge). As defined in 5 U.S.C. 2101(2), "Armed Forces" means the Army, Navy, Air Force, Marine Corps, Space Force, and Coast Guard; and
- Be eligible under one of the following preference categories:
  - -CPS Disability rating of 30% or more (10 points)
  - -CP Disability rating of at least 10% but less than 30% (10 points)
  - -XP Disability rating less than 10% (10 points)
  - -TP Preference eligibles with no disability rating (5 points)
  - -SSP Sole Survivorship Preference (0 points)

# **Veterans Preference (Cont'd)**

- Military retirees at the rank of major, lieutenant commander, or higher are not eligible for preference in appointment unless they are disabled veterans. (This does not apply to Reservists who will not begin drawing military retired pay until age 60)
- For non-disabled users, active duty for training by National Guard or Reserve Soldiers does not qualify as "active duty" for preference.
- When applying for Federal jobs, eligible veterans should claim preference on their application or resume. Applicants claiming 10-point preference must complete Standard Form (SF) 15, Application for 10-Point Veteran Preference at <u>https://www.opm.gov/forms/pdf\_fill/sf15.pdf</u>, and submit the requested documentation.

Visit this site to learn more about veterans preference: <u>https://webapps.dol.gov/elaws/vetspref.htm</u>

# Veterans Opportunity to Work

**The Veterans' Opportunity to Work (VOW) Act** requires Federal agencies to treat active military members as veterans, disabled veterans or preference eligibles when applying for appointments in the competitive service. Most service members begin to apply for civilian positions while still on active duty. As such, they do not have access to their DD Form 214, Certificate of Release or Discharge from Active Duty, for submission with their application for employment.

- The VOW Act enables active-duty service members to provide a certification of service in lieu of a DD 214.
- The certification must be a written document stating that the veteran will be released or discharged under honorable conditions no later than 120 days after submission of the certificate. The certification letter should be on the letterhead of the appropriate military branch of service and contain:
  - Military service dates, including the expected discharge or release date, and

- Character of service.

• Based on the certification, agencies will grant tentative veterans' preference to the service member. The tentative veterans' preference granted to the service member applicant must be verified using a DD 214 prior to appointment.

### Military Retired Pay and Other Financial Considerations

# **Calculate Your Retired Pay in 3 Steps**

<u>Step 1</u>: Determine your <u>D</u>ate of <u>I</u>nitial <u>E</u>ntry into <u>M</u>ilitary <u>S</u>ervice (DIEMS). \*\*This is the date of your initial service contract. This date does not change regardless of breaks in service or changes in duty status

Step 2: Determine which pay plan you are eligible for based on your DIEMS

Step 3: Use the appropriate formula to calculate your retired pay (see following slides)

• You can find your DIEMS by logging into IPPS-A at <a href="https://ipps-a.army.mil/">https://ipps-a.army.mil/</a> (CAC only) or by using the mobile app (DS Logon only).

To register for a DS Logon account, go to DMDC Registration page at <a href="https://myaccess.dmdc.osd.mil/identitymanagement/app/login">https://myaccess.dmdc.osd.mil/identitymanagement/app/login</a>.

### **Dividing Retired Pay as Property if Divorced**

Uniformed Services Former Spouses' Protection Act (USFSPA)

### • <u>NOT</u> AUTOMATIC

- Up to state courts and can be any amount
- For divorces after 23 December 2016, a service member's disposable income to be divided is limited to the amount of basic pay based on pay grade, years of service, and pay table <u>at the time of the court order</u> with COLA increases, and the date of divorce will be used to calculate a share of retired pay, NOT the retirement date under T10 USC section 1408.
- Award not tied to length of marriage
- DFAS direct payment requirements:
  - Marriage overlapped 10 years with service
  - Limited to 50% of "disposable" retired pay\*\*

  - Maximum of 6 discretionary allotments
  - You can have unlimited non-discretionary allotments.
- For recalled Soldiers at retirement:
  - NONE continue from active duty

- Can start/stop/change allotments in *myPay* at <u>https://myPay.dfas.mil</u>

- More information available at: <u>https://www.dfas.mil/retiredmilitary/manage/allotments.html</u>
- Instead of creating an allotment through DFAS, some allotments can be easily and freely set up directly with your bank to pay bills (e.g., life insurance) or save for the future (e.g., transfer to another bank account).

# **Thrift Savings Plan (TSP)**

 You stop contributing to TSP at retirement

- Your options at retirement:
  - 1 do nothing and draw returns when permitted; or
  - 2 roll into an IRA or 401K
- May resume active participation if you become a federal civilian employee; military and civilian TSP accounts may be combined
- If moving, make sure that you fill out the Form TSP-9 when separating for change of address
- TSP info: <u>https://www.tsp.gov/</u>

# Thrift Savings Plan (TSP) (Cont'd)

**Account Withdrawal Deadline** 

- If you decide to leave your money in the TSP, be aware that you will be required to start withdrawing your money when you turn age 73.
- As a helpful reminder, the TSP will notify you before your required withdrawal date and mail you important tax information about your TSP withdrawal, as well as information about the IRS required minimum distributions.

# **Transition Administrative Absence\***

\*Formerly known as Permissive TDY (PTDY), granted at commander's discretion

**Purpose:** Facilitate transition to civilian life (e.g., house-hunting, job-hunting, CSP)

**10 Days** (and **may** be authorized an additional 10 days Involuntary Separation Administrative Absence [ISAA]):

- CONUS-based Soldiers
- OCONUS-based Soldiers (at same OCONUS location)

#### 10 Days (and may be authorized an additional 20 days ISAA):

# Retirement Physical and Medical Records

# **Retirement Physical**

- The Army requires a <u>Separation History and Physical Exam</u> (SHPE) prior to retirement
- Physical exams performed by the DOD are valid for up to 12 months before the date of retirement\*
- Your last record of active-duty health
- Assists with claim for VA service-connected disability
- Most sites now provide combined Service and VA retirement physicals

Use the results of your retirement physical to apply for VA disability benefits under the:

- Benefits Delivery at Discharge (BDD) Program (90-180 days left)
- Fully Developed or Standard Claim (1-89 days left)

VA goal is to start disability payments within 60 -120 days of retirement. Visit the VA web site at <u>https://www.va.gov/disability/how-to-file-claim/when-to-file/pre-discharge-claim/#ways-to-file</u> or call 1-800-827-1000

<sup>\*</sup> DA PAM 40-502, paragraph 6-7

## Separation History and Physical Exam (SHPE)

#### **Separation Health Assessment:**

The Separation Health Assessment is a medical evaluation used by the Department of Defense (DOD) and the Department of Veterans Affairs (VA)

- In the DOD, it is referred to as the "Separation History and Physical Examination (SHPE)" - A SHPE up to 90 days prior to retirement date must be validated as current not more than 30 days before the retirement date
- In the VA, it is called a "Separation Health Assessment" When conducted by the VA, an exam up to 180 days prior to the date of retirement from active duty is acceptable (must be validated by a DOD official)

#### Soldiers who are retiring:

- Only need <u>one</u> exam
- Exam may be completed at a military hospital or clinic (<u>https://www.tricare.mil/MTF</u>) or at a VA facility (<u>https://www.va.gov/find-locations/</u>)

#### The Separation Health Assessment documents and assesses your:

- Medical history
- Medical concerns identified during your military career
- Current health status

### **SHPE – How it Works**

- Schedule your exam at a military hospital or clinic, or VA facility, well in advance of your scheduled separation date. (see locator links on previous slide)
  - If you're filing a VA claim, schedule it no later than 90 days before your retirement date.
  - If you're taking extended terminal leave, it's best that you schedule at a military hospital or clinic.
- Before the exam, complete DD Form 2807-1 (Report of Medical History) at <a href="https://www.esd.whs.mil/Portals/54/Documents/DD/forms/dd/dd2807-1.pdf">https://www.esd.whs.mil/Portals/54/Documents/DD/forms/dd/dd2807-1.pdf</a>
- The assessment results are then accessible by both the DOD and VA. You can also access them by clicking on the Health Record tab at <a href="https://my.mhsgenesis.health.mil/">https://my.mhsgenesis.health.mil/</a>. You won't need another exam if you decide to file a VA claim.

### **Medical Records**

- Belong to the government per AR 40-66, Medical Record Administration and Healthcare Documentation.
- You should make a copy of your records, and your family members' records as it may be difficult to obtain copies of medical records after retirement.

- You can view and download personal health information from your DOD electronic health record <u>if you get care at military hospitals</u> <u>and clinics</u>, and you're a registered user on the MHS GENESIS Patient Portal at <u>https://my.mhsgenesis.health.mil/</u>
- To request a complete copy of your health record, you can submit an SF 180 (Request Pertaining to Military Records) to the applicable record location as identified on the form (go to <u>https://www.archives.gov/veterans/military-service-records/medicalrecords.html</u> for more information). Requests can also be made in person at your last military hospital or clinic.

# Travel & Transportation (Cont'd)

Time Limit on Travel & Transportation Allowances

 Has been increased from one to three years from the date of retirement (for those with an effective retirement date on or after 24 June 2022)

- Extensions may be requested prior to the third anniversary of the retirement date, for up to a maximum of six years
- <u>Additional Info Sources</u>: Defense Transportation Regulation 4500.9-R, found at <u>https://www.ustranscom.mil/dtr/dtrp4.cfm</u> and the Joint Travel Regulation at <u>https://www.defensetravel.dod.mil/Docs/perdiem/JTR.pdf</u>

\*Note: Soldiers whose retirement was before 24 June 2022 may continue to request extensions on an annual basis up to a maximum of six years from the Soldier's retirement date.

# **Personal Property Household Goods (HHG)**

Entitlements expire six years from the effective date of the orders

#### Extension of the transportation entitlement

- Submit an extension request to the transportation office prior to the retirement anniversary date (see previous slide)
- An extension of the one-year time limit for HHG in non-temporary storage (NTS) may be authorized or approved through the Secretarial Process if a service member is undergoing hospitalization or medical treatment, or is recalled to active duty before selecting a home

#### Local move of HHG

- Authorized from government/privatized quarters to a residence in local area
- Local move radius varies by installation (within service area)
- Does not impact the move to the Home of Selection (HOS)
- HHG may be split between the delivery to the local residence and NTS
- HHG in the residence in the local area and in NTS may be transported to the HOS at a later date
- Local move weight allowances listed in the Joint Travel Regulation, Table 5-37

# **Personal Property HHG Storage**

#### Shipments to multiple locations

- Total cost of all shipments may not exceed the cost to ship the authorized weight allowance to the HOS in one lot

#### Non-temporary Storage (NTS) is always at origin, not at destination

- Begins on the date the order is issued
- Terminates one year from the effective date of retirement
- After the one-year entitlement expires, storage is converted to a commercial account at the Soldier's expense. Contact the transportation office for a delivery out of storage

- When HHG are released for delivery, additional storage is not authorized, it must be a DIRECT delivery
- Think non-temporary storage first, place HHG in NTS when HOS is unknown or delivery address at HOS is unknown, or new house being built
- SM may incur costs if property is placed in temporary storage (Storage in Transit)

## Retired Uniformed Services Identification Card (USID), and DS Logon Information

### **ID** Cards

This change will be captured later in an update of DODI 1000.13.

FIND NEAREST ID CARD ISSUING FACILITY https://idco.dmdc.osd.mil/idco/

## Impact of ID Card Changes at Retirement

- Soldier turns in Common Access Card (CAC)
- The Retired Uniformed Services ID (USID) card is not a CAC, so...
  - No access to DOD Enterprise Email
  - No access to CAC-enabled systems
  - Must change *myPay* account to commercial email

- Must obtain **DS Logon** and **myAuth** Accounts to access records and systems
- DOD has transitioned to the issuance of a more secure next generation USID to replace the former paper-based USID. Although the new USID looks like a CAC, it does not contain a chip. For more information go to <u>https://www.cac.mil/Next-Generation-Uniformed-Services-ID-Card/</u>
