Fort Novosel Religious Services hosts vacation Bible school

The Fort Novosel Religious Services Office made learning fun, engaging and interactive during its vacation Bible school July 17-20 at Wings Chapel. This year's VBS offered a variety of collaborative learning experiences, including exciting games, heartfelt arts and crafts, spiritually connected music, and science and biblical learning for Fort Novosel youth. The youth sported color-coded hats and separated ...

Interactive Customer Evaluation program drives continuous process

The Interactive Customer Evaluation system is a Department of Defense web-based program that allows customers to provide feedback on services offered at Fort Novosel and is a driver for continuous process improvement.

Not all Fort Novosel service providers utilize ICE as a customer feedback system, but most garrison service providers are represented within ICE.
