Purpose / Description: This course Establishes the foundation of US Army Officer values, attributes, and skills for newly commissioned officers assigned to the Medical, Dental, Medical Service, Army Nurse, Medical Specialist or Veterinary Corps. Students receive a foundation inleadership, physical fitness, mental toughness, and tactical and technical proficiency skills required of US Army Officers. Graduates of the course will: (1) Demonstrate Character - Graduates demonstrate the Army Values, Warrior Ethos, and personal accountability and responsibility for their words and actions. (2) Demonstrate Presence Graduates demonstrate military and professional bearing and confidence. (3) Display Military Competence - Graduates understand military tradition, small unit tactics, and Army Doctrine. (4) Demonstrate Communication - Graduates display critical thinking through clear and concise speech, writing, and personal interactions. (5) Understand Comprehensive Fitness - Graduates are physically fit, mentally resilient, spiritually connected, and understand the importance for Soldiers, civilians, and their Families. (6) Be Army Professionals - Committed to the service and the Nation.

In accordance with AR 350-1, Chapter 3-27, para c. Specialty branch officers:

- Effective 1 October 2017, all direct commissioned AMEDD officers assessed into the U.S. Army will attend the AMEDD Direct Commissioned Course (DCC) conducted at Fort Sill, OK. ALL AMEDD direct commissioned officers must attend the AMEDD DCC prior to attendance of BOLC-B

All AMEDD direct commissioned officers of all components will attend the four week AMEDD DCC. The only exception are ARNG and USAR Medical Corps, Dental Corps, and Veterinarian Corps officers who will attend the three week AMEDD DCC.

The waiver / exception to policy approval authority for AMEDD DCC attendance is the HQDA G-3/5/7. This authority may be further delegated to the appropriate directorate or division overseeing officer training.
