AWARD BACKGROUND, PAST WINNERS

The **Henry A. Knox Award** is named after the first Chief of Artillery, and first Secretary of War, Major General Henry A. Knox. The award recognizes the most outstanding active component battery. Originally called the Knox Trophy and Medal, the awards were established in 1924 by the Chief of Field Artillery and presented annually. The Trophy recognized the best artillery battery and the Medal recognized the best enlisted Artillery Soldier. Before World War II, the awards were not presented. In 2002, the Knox Trophy was reinstated and the Medal was replaced with the Gruber Award to recognize individual Soldiers.
