U.S. ARMY Plain Language Brief Explained

The Military Housing Privatization Initiative (MHPI) *Tenant Bill of Rights* requires the garrison AHO to provide a plain language brief presenting the facts on tenants' rights and responsibilities associated with tenancy of the housing unit to all residents of privatized housing prior to lease signing and again 30 days after move-in on all rights and responsibilities.

“The Department of Defense is fully committed to ensuring that associated with tenancy of the housing unit, including MHPI housing projects provide our Nation’s most valued resource—its military members and their families—safe, quality, and well-maintained housing where our members and their families want and choose to live.

“The Department of Defense has issued all policy guidance necessary to implement prospectively all rights for military members and their families residing in privatized family and unaccompanied housing (Tenants) at all MHPI housing projects. However, as Congress recognized, retroactive application of the requirements at existing projects requires voluntary agreement by the respective MHPI company; the Department cannot unilaterally change the terms of the complex, public-private partnerships that established the MHPI housing projects. The Department of Defense has been seeking to secure voluntary agreements, and nearly all of the MHPI companies have agreed to implement all 18 Tenant rights at their existing projects. The Department will continue to pursue agreements not yet reached. Tenants should contact their installation housing office to confirm the rights fully available to them.”

WE ARE THE ARMY'S HOME

The Military Housing Privatization Initiative Tenant Bill of Rights highlights five important responsibilities for Service Members and their Families while they reside in privatized family housing.

- **RESPONSIBILITY 1:** The responsibility to report in a timely manner any apparent environmental, safety, or health hazards of the home and any defective, broken, damaged, or malfunctioning building systems, fixtures, appliances, or other parts of the home, common areas, or related facilities to the landlord.
- **RESPONSIBILITY 2:** The responsibility to maintain standard upkeep of the home as instructed by the property management company.
- **RESPONSIBILITY 3:** The responsibility to conduct oneself as a tenant in a manner that will not disturb neighbors, and to assume responsibility for one's actions and those of a family member or guest in the housing unit or common areas, including the responsibility not to engage in any inappropriate, unauthorized, or unlawful activity in the home or common areas.
 - The Property Management Resident Handbook provides specific information.
- **RESPONSIBILITY 4:** The responsibility to allow the landlord reasonable access to the rental home in accordance with the terms of the tenant lease agreement to make necessary repairs in a timely manner.
- **RESPONSIBILITY 5:** The responsibility to read all lease-related materials provided by the landlord and to comply with the terms of the lease agreement, lease addenda, and any associated rules and guidelines.

- The ***informal dispute resolution process*** is a measured approach intended to resolve disputes at the garrison level that may be used to resolve disputes pertaining to the lease as well as issues that fall outside the specific parameters of the lease document, such as personal property claims
- The tenant may submit a completed ***informal dispute resolution*** request form with any documents that support the dispute to the AHO.
 - An ***informal dispute resolution*** form is available at the AHO and on-line at [Housing \(army.mil\)](https://www.army.mil/housing)
 - Tenants may also visit the garrison **Installation legal office** to seek assistance in completing the ***informal dispute resolution*** form.
 - The garrison commander will serve as the mediator between the property owner and tenant in an effort to resolve the dispute at the local level, normally within 10 business days

The **formal dispute resolution** process allows eligible tenants to obtain prompt and fair resolution of housing disputes concerning rights and responsibilities set forth in the lease that could not be resolved through the informal dispute process.

- A **formal dispute resolution** form is available at the AHO and on-line at [Housing \(army.mil\)](https://www.army.mil/housing)
- The tenant may submit a completed **formal dispute resolution** request form with any documents that support the dispute to the AHO. Tenants may also visit the Installation legal office to seek assistance in completing the **formal dispute resolution** form.
- The **formal dispute resolution** may include a home inspection. If the tenant fails to grant access to the premises for inspection the formal dispute resolution process shall terminate, and no decision will be rendered
- The HQ IMCOM Commanding General is the Deciding Authority and will generally render a decision within 30 days, but not later than 60 days.
- Tenants may request “rent segregation” for up to 60 days while the dispute is being reviewed.
- The **formal dispute resolution** eligibility is limited to military members, their spouse or other eligible individual who qualifies as a “tenant” as defined in 10 USC Section 2871
- Tenants may seek legal advice or dispute resolution through any remedy available by law, except that Tenant and Owner shall not pursue such remedy available in law while a formal dispute resolution under this process is pending.
