Service to the Armed Forces

Focusing on active service members, veterans and their families.

Emergency Communications

The American Red Cross Hero Care Network Center is available 7 days a week, 24 hours a day, 365 days a year, with options for requesting assistance: online, by phone & mobile app.

- <https://www.redcross.org/get-help/military-families/emergency-communication.html>

Military & Veteran Hospital Programs

The Red Cross works on military installations around the world building the local volunteer base & community partners. We also partner with the veteran hospitals and clinics to provide programs and support for our veterans.

- <https://www.redcross.org/about-us/our-work/military-families.html>

Resiliency Services

Workshops help guide members of the military and veteran communities on various topics centered around coping and communication skills. All workshops are live, interactive, and virtual and are facilitated by Red Cross mental health volunteers. Participants are encouraged to share in the discussion as though they were in person together. The goal of each workshop is to provide a safe, educational space for participants to discuss challenges and concerns and learn the tools to build upon their natural resilience.
