Home Based Business

Step 1: Download HBB application from MWR website.

Step 2: Complete the Application.

This includes visiting and obtaining approval from installation agencies like the housing office and community housing manager. The application should identify the agencies, but ask your MWR representative if you have questions. If you need any additional documentation (like licensing or certifications), get that, too.

*Please note that Liberty & Chatham Counties do not issue business licenses to on-post residents.

Step 3: Turn in the Application:

Once you've completed your paperwork, submit the application to your Garrison DFMWR. Keep a copy of the completed application for your own records.

For more information:
