

Welcome to FORT STEWART & HUNTER AAF

As your journey at Fort Stewart/Hunter Army Airfield begins, I want you to start off on the right foot! My name is Anna Hagerty and I have been a military spouse for 20 years. I was voted the Armed Forces Insurance Military Spouse of the Year 2018 and my passion is helping military spouses. My goal is to connect you with the resources on post and help you network with other spouses to make your transition as smooth as possible.

First, make sure you attend a (soldier mandatory) Newcomers Briefing at Club Stewart that is held the 2nd and 4th Wednesday of every month.

A . YES-you may bring your children. We have volunteers to help entertain the children in the same room so you can listen to some important information and ask questions during the spouse break-out session. If you cannot attend with your soldier at that time, feel free to join a session when you can.

B. Start time is around 9:30am—browse through some vendors, eat a snack, and be in your seats by 10am.

C. If YOU (the spouse) attend, your soldier will get a 3-day pass!
Again, welcome to Fort Stewart and Hunter Army Airfield!

Sincerely,

Anna Hagerty
