**Patientportal.mhsgenesis.health.mil** will replace TRICAREonline.com as the your Patient Portal. The Patient Portal will be unavailable 10 days after Go Live, during this time, appointments can be made using our call center at 912-435-6633.

Please consider making wellness appointments and refilling medications before June 1 as access to care will be limited for several weeks.

Exchange secure messages with your care team

See Laboratory and test results

Update your patient Portal

# USAMEDDAC

## *MHS GENESIS*

The transition to MHS Genesis will impact Access to Care, but will NOT impact quality of care. If you have acute needs that cannot be met with reduced appointment availability, please use the Nurse Advice Line at 1-800-TRICARE **(1-800-874-2273)**.

Increased wait times can be expected during the initial transition phase. Please be patient while we modernize our Electronic Medical Record system.

The following resources are available during transition:

- Pharmacy - early refill authorized beginning May 15
- School Physical Rodeo schedule is set. In addition, bring school forms to pediatric appointments for completion.
- Pediatric Wellness appointments are prioritized during transition
- Nurse Case Managers are identifying patients with significant medical history and booking appointments early.

## ***Pharmacy - MHS GENESIS Prescription Support***

The transition to MHS Genesis is expected to cause delays in the pharmacy wait times up to 2-3 hours.

To reduce the impact to pharmacy wait times, beginning 15 May, early refills on most prescriptions will be authorized at all MEDDAC pharmacies. Narcotic and other controlled medications cannot be refilled early.

You can use the refill pharmacy pick up sites at the PX, the Main Outpatient Pharmacy, Script Center, or the pharmacies at Tuttle or the Richmond Hill Medical Home -- If enrolled as a patient there.

Reminder: Retail pharmacy and Express Scripts, for active duty service members incur a zero dollar copay for most prescriptions. Copay information can be found at <https://militaryrx.express-scripts.com/price-medication>
