|---|---|

On-Post Housing: Submit A Work Order

STEP 1
REPORT

SUBMIT A WORK ORDER:
Call the maintenance call center at
FS: 912-408-2466
HAAF: 912-459-2147
or online through the Resident Portal.

STEP 2
ASSESS/SCHEDULE

Based on the work order priority (Emergency, Urgent or Routine), we will dispatch a maintenance technician or schedule a maintenance visit.

STEP 3
RESOLVE

Our maintenance team strives to complete all repairs in their initial visit. If it is necessary to order parts or work with a third-party vendor to resolve the issue, additional visits may be necessary and will be scheduled.

STEP 4
CLOSEOUT

Upon work order completion, residents will receive a text message notification from 844.991.0708 to confirm satisfaction with the work.

STEP 5
FEEDBACK

Once the work order is closed in the system, you will receive an email asking you to complete an online satisfaction survey regarding your work order experience.

Work Order Process

WORK ORDER STATUS – WHAT DO THEY MEAN??

- **Schedule-** work order is scheduled for a specific date and block of time. If work orders are placed via the portal, you will be notified via email what date/time it is set.
- **In Progress-** Work order has been started; technician has more work to do to finish the task
- **Vendor Assigned-** Work order has been assigned to a third-party contractor.
- **Parts Pending-** A required part needed to complete the work order was identified and ordered.
- **Tech Completed-** The work order has been completed by the maintenance technician- pending resident approval via key texting. If a No is marked work order returns to schedule status
- **Work Completed-** Work order has been reviewed and verified by service center coordinator
- **Canceled/Pending Cancellation-** Work order has been canceled or is pending approval to be canceled (duplicate item- open work order already exists)

Work Order Closeout

Text

FS: 912-937-9448

HAAF: 844-991-0708

- A technician visits your home and completes a work order. After updating notes, the work order is placed in TECH COMPLETED
- 8AM Local time the following day the first attempt to receive confirmation from resident that work is completed is sent to number identified as FIRST CONTACT
- 3 additional texts are sent in 12-hour increments in an effort to receive a response.
- If no response is received the work order is marked completed and notification is sent to the MHO office.

VOLAR Renovation Plan

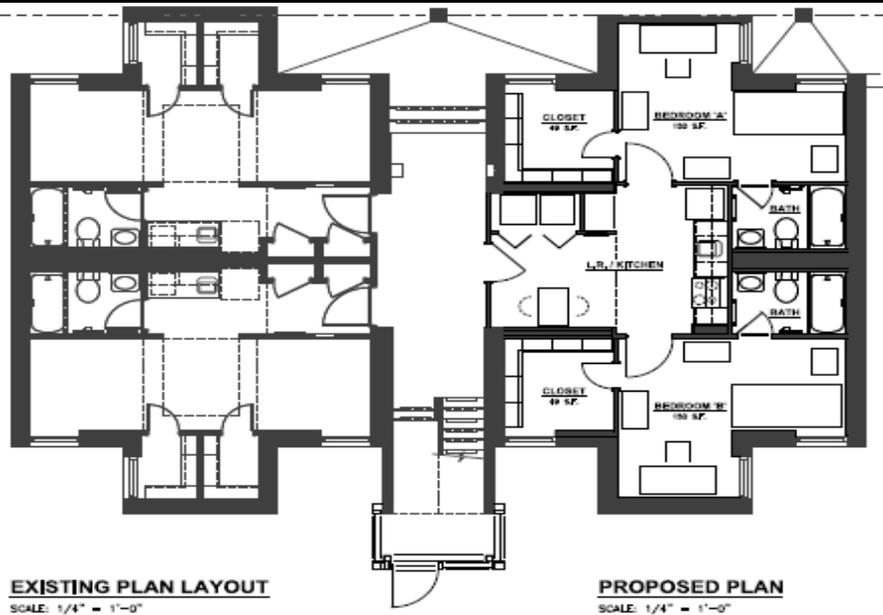

VOLAR Renovation Goals

The Installation has 2,248 VOLAR spaces that do not meet the current Army Standard and are ISR-I rated F3/F4 and/or Q3/Q4. These projects will take two non-standard rooms and create a 1+1 suite:

- Private bedroom
- Shared living area
- Shared kitchen area
- Shared washer & dryer
- Code Compliant Fire Suppression System

| VOLAR Buildout Schedule (AMC FIP) | Start | Complete |
|--|-------|----------|
| Building 504 (Complete) | FY17 | FY21 |
| Buildings 514, 515, 516, 517 (Constr.) | FY20 | FY24 |
| Building 633 (Constr.) | FY22 | FY25 |
| Building 632 | FY23 | FY26 |
| Buildings 212, 635 | FY26 | FY29 |
| Buildings 501, 518, 631 | FY27 | FY30 |
| Buildings 213, 503, 630, 634, 636, 712 | FY29 | FY32 |
| Buildings 215, 216, 714 | FY30 | FY33 |
| Buildings 629, 637, 715 | FY31 | FY34 |
| Buildings 218, 713, 717, 719, 720 | FY32 | FY35 |

•Building 810 needs to be inserted in FIP outyears

Way Ahead

Based on lessons learned from the building 504 project, the installation has altered its procurement strategy going forward. The four FY20 VOLAR renovations were awarded through the Corps of Engineers as a Design-Build project, with the intent of minimizing or eliminating the majority of contract modifications. Building 504 was awarded through our local MICC as a Design-Bid-Build project. The buildout schedule continues to slip to the right as the FIP is updated annually.

FSGA Barracks Long-Range Plan Update

In Progress New Construction

Project #: 96656

Current Cost Estimate: \$133M (PA is \$105M)

Funding Type: FY22 MCA

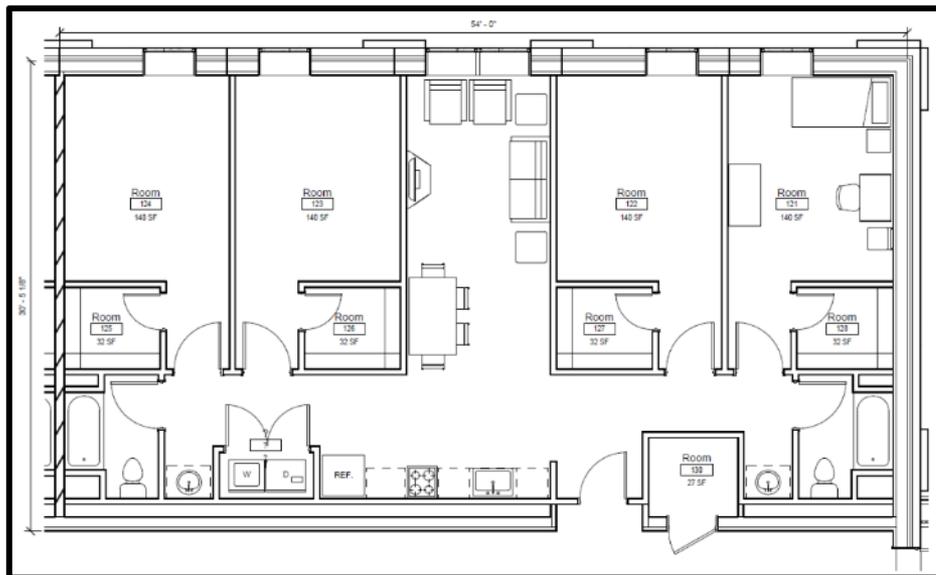

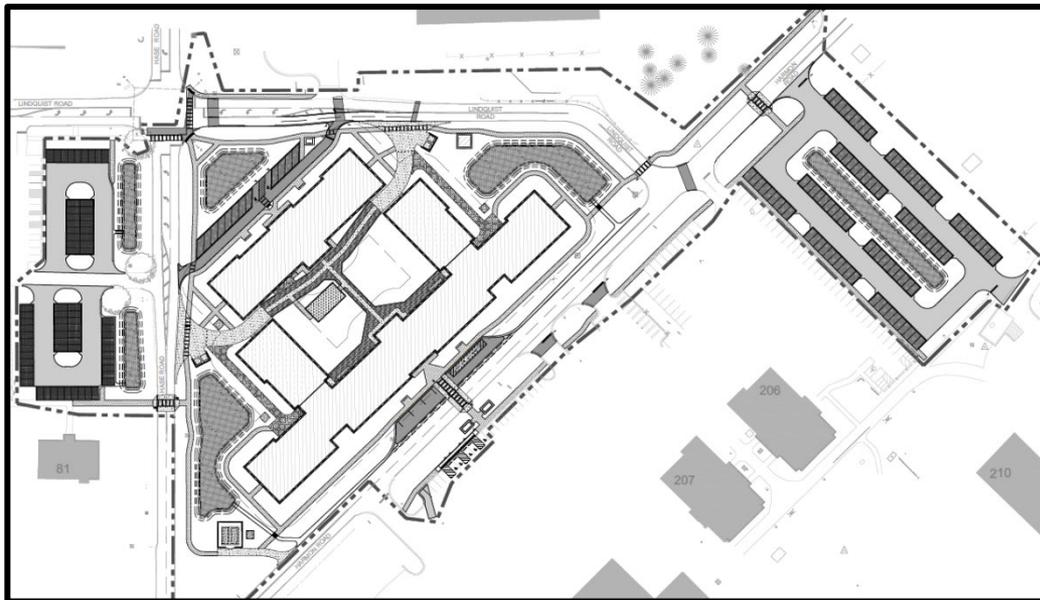

Scope: 364 Barracks Spaces

Execution Method: USACE Savannah District

Design Complete: July 2024

Construction Contract Award: Fall/Winter 2024

Construction Completion: Late 2027

Project Status & Issues

- Design is currently 100% complete
- Barracks will meet the Army's new 4+2 standard
 - 4 bedrooms / 2 bathrooms
 - Larger common space (vs. 1+1 standard)
 - Kitchen
 - Full size washer and dryer
- New standard has multiple shared spaces
 - CQ desk
 - Fitness center
 - Dayrooms / Lounges / Balconies
- Site is at the intersection of Harmon Ave. and Hase Rd., near the Outpost Kiosk DFAC

HAAF Hangars Long-Range Plan Update

In Progress New Construction

Project #: 88410

Current Cost: \$62M

Funding Type: FY20 MCA (FIP)

Scope: 120,000 SF Aircraft Maintenance Hangar with six UH-60 / AH-64 Bays (Assault / Attack BN)

Execution Method: USACE Savannah District

Construction Complete: FEB 2025

Project Status & Issues

- Building is 100% dried-in. Interior trades conducting full install on both floors.
- Brick and masonry is 99% complete.
- Hangar side utilities are being installed.
- Site work is continuing – site drainage 95% complete.
- Standing seam metal roof panel install on-going.
- Foundation & structural steel for out buildings has been completed.
- Concrete recently poured for aircraft parking apron connection

HAAF Hangars Long-Range Plan Update

Based on Approved Aviation FDU (Effective May 2027)

Military Interstate Children's Compact

WHAT IS THE COMPACT?

The Compact deals with the challenges of military children and their frequent relocations. It allows for uniform treatment as military children transfer between school districts in member states. Note: The Compact only applies to public schools.

STUDENTS COVERED

Children of the following:

- Active duty members of the uniformed services, including members of the National Guard and Reserve on active duty orders (Title 10)
- Members or veterans who are medically discharged or retired for one year
- Members who die on active duty, for a period of one year after death
- Uniformed members of the Commissioned Corps of the National Oceanic and Atmospheric Administration (NOAA), and United States Public Health Services (USPHS)

STUDENTS NOT COVERED

Children of the following:

- Inactive members of the National Guard and Reserves (Not Title 10)
- Members now retired not covered above
- Veterans not covered above
- Other Department of Defense personnel, federal agency civilians and contract employees not defined as active duty
- Members other than the uniformed personnel of NOAA and USPHS

Military Interstate Children's Compact

SOME OF THE ISSUES COVERED

Enrollment

- Educational Records
- Immunizations
- Kindergarten & First Grade

Entrance Age

Placement & Attendance

- Course & Educational Program Placement
- Special Education Services
- Placement Flexibility
- Absence Related to Deployment Activities

Graduation

- Waiving courses required for graduation if similar course work has been completed
- Flexibility in accepting state exit or end-of-course exams, national achievement tests, or alternative testing in lieu of testing requirements for graduation in the receiving state
- Allowing a student to receive a diploma from the sending school instead of the receiving school

MISSION Through the Interstate Compact, MIC3 addresses key educational transition issues encountered by children of military families.

Embedded Behavioral Health

- **About our School Behavioral Health (SBH) program...**
- SBH is an extension of CAFBHS in the school setting (i.e., Diamond Elementary, Kessler Elementary and Murray Elementary). The SBH program enhances the school climate and broadly promotes mental health, wellness, and school success by delivering a range of health promoting and preventive interventions to address emotional and behavioral difficulties related to the unique stressors of Military life.
- **Who we serve...**
- SBH is offered to military dependents who have emotional, behavioral, and/or social difficulties. To qualify for services, the dependent is required to attend an on-post school and be enrolled in TRICARE PRIME.

Embedded Behavioral Health

What we do...

- Onsite assessments
- Individual therapy
- Family therapy
- Group therapy
- Psychoeducation
- Prevention services
- Referrals

Benefits of the SBH program...

- Reduces stigma of behavioral health care
- Increases mental health awareness
- Decreases school absences
- Addresses poor academic performance
- Improves access to care
- Provides onsite classroom intervention

Access to care:

Self referral-
