Benefits of GoArmyEd to Soldiers

GoArmyEd enables Soldiers, Army-wide, to request TA online, eliminating wait time and reducing time away from duty. GoArmyEd also:

- ◆ Provides Army-wide access to TA for Active Army, National Guard, and Army Reserve Soldiers—anytime, anywhere
- ◆ Offers Soldiers thousands of regionally and nationally accredited schools to choose from
- ◆ Enables Soldiers to view an electronic copy of their Servicemembers Opportunity Colleges Degree Network System Student Agreement (SA)/Official Degree Plan
- ◆ Provides access to VIA which is a decision support tool that will help Soldiers identify a long-term career goal, choose a degree plan that aligns with their career goal, and select a best fit/best value school
- ◆ Provides a Course Planner tool that enables Soldiers to list the courses required to complete their degree
- ◆ Provides one place for Soldiers, counselors, and schools to conduct business
- ◆ Allows Soldiers to register, drop, or withdraw from classes 24/7, gives them online visibility of his or her Student Records, TA balances, class grades, and current course enrollments, and provides the capability to cancel TA requests
- ◆ Allows Soldiers to electronically sign their quarterly TA Statements of Understanding (SOU)
- ◆ Permits most Soldiers to research admission requirements, course costs, and accreditation information
- ◆ Helps most Soldiers access online advising tools to select classes that meet his or her degree requirements
- ◆ Allows Active Army, National Guard, and Army Reserve Soldiers to enroll in On-duty classes
- ◆ Enables schools to deliver degree and course offerings and report Soldiers' progress
- ◆ Provides Soldiers with access to technical support through the GoArmyEd Helpdesk

GoArmyEd — Serving ALL Army Components, Cadet Command, Army Civilians (G-3/5/7) and Department of Army Interns

GoArmyEd Schools

More than 2,500 schools partner with GoArmyEd. High-volume schools access GoArmyEd to upload classes for registration, manage class enrollments, submit grades, prepare and verify invoices, and troubleshoot Soldier issues from one centralized, integrated location. Schools with lower participation rates submit grades and invoices to GoArmyEd, allowing all Soldiers access to up-front TA—an improvement to the reimbursement model used before.

For Army Civilians, schools and vendors must agree to the Army Civilian Training and Leader Development Division Terms and Conditions in GoArmyEd to support Army Civilians and submit invoice and grades, and manage Army-funded enrollments.

For USACC, schools must agree to the USACC Terms and Conditions in GoArmyEd to support payment of the Reserve Officers' Training Corps (ROTC) Cadets' scholarship, fees, tuition, room, and board.

GoArmyEd Support Team

The GoArmyEd Support Team includes Army Education Counselors from all Army components, Professors of Military Science, Career Program Managers, Training Managers, supervisors, schools, Servicemembers Opportunity Colleges (SOC), and International Business Machines (IBM). Army Education Counselors assist Soldiers in setting and achieving educational goals and for Army Civilians, to pursue professional development. GoArmyEd allows Army Education Counselors to focus more time and effort on counseling and empowering Soldiers rather than on routine, time-intensive, paper-based processes. SOC serves as the Army's GoArmyEd academic facilitator, while IBM provides technical integration and virtual solutions.

Benefits of GoArmyEd to Civilians

- ◆ Enables Army Civilians to request funding for professional development training, either from his or her Command/Organization or Central Funding referred to as Army Civilian Training, Education, and Development System (ACTEDS)
- ◆ Register for local courses offered by his or her Command or Career Program that do not require a training application or SF 182 to attend

Benefits of GoArmyEd to Scholarship Cadet Students

- ◆ Scholarship Cadet Students can use the USACC Course Planner tool to list the courses required to complete their degree
- ◆ After the term's last Add Drop date, scholarship Cadet Students can submit a Cadet Payment Request (CPR) form to use scholarship benefits to pay for tuition and fees or room and board

Supporting the Expeditionary Force

Education is a powerful incentive that boosts retention and re-enlistment while growing the critical thinking and decision-making skills needed to support future Army leaders through Soldier readiness and development. GoArmyEd is a sound enterprise strategy for centralized information management and virtualized self-service. Electronic invoicing and automated business processes allow academic institutions to receive payment from the Army for TA charges in three to five business days once payment is authorized. Additionally, GoArmyEd supports the Army's transformation and reduces costs through standardized processes by letting Soldiers request TA online.

An educated Soldier and Army Civilian is the Army's best asset.

GoArmyEd allows Soldiers to access their degree programs and register for classes using TA, Army Civilians to request training, and Scholarship Cadet Students to complete steps to use scholarship benefits — anytime, anywhere.
