

# Relaunch your career at Raytheon Technologies

The RTX Re-Empower Program is a unique opportunity for experienced professionals seeking to return to work after a career break of one year or longer.

## Comprehensive 14-week paid program with benefits

- Offers resources, networking and personalized development plans.
- Provides leadership exposure, professional development, mentorship, coaching and more.
- Eligible for consideration for a full-time role at the end of the program.

Bring your knowledge, experience and creativity back to the workforce through exciting and challenging opportunities.

## How to Qualify

Candidates for the Re-Empower Program should meet the following qualifications:

- Been on a career break of one year or more.
- Have interest in returning in either a full-time or part-time position.
- Have prior experience in a functional area of interest.

Applications are accepted on a rolling basis. If available positions do not fit your qualifications and interests, consider submitting your resume for positions that may become available.
