

Make a difference.  
Work in higher  
education.

Why work in higher education? Colleges and universities are great places for military spouses and veterans to find employment and advance their careers.

There are a wide variety of job opportunities in higher ed, including marketing, finance, nursing, facilities, counseling, teaching, fundraising, IT, lab tech, and office administration. Search higher ed job postings and access free career resources at [HERCJobs.org](https://www.hercjobs.org).
