Dear Mr. Baumgardt:

The Land Protection Branch of the Georgia Environmental Protection Division (EPD) has reviewed Fort Stewart's RTCs and replacement pages for the Compliance Status Report Work Plan, HAA-01 (Former Fire Training Area and DAACG Chlorinated Solvent Area), dated July 2, 2010 and received July 7, 2010. EPD has determined that all comments, sent to Fort Stewart in a letter dated April 22, 2010, have been adequately addressed, and the CSR Work Plan for HAA-01 is approved. The replacement pages have been incorporated into all copies of the above-referenced report on file at our office.

If you have any questions or comments, please contact Mr. Mo Ghazi or William Powell of my staff at 404-656-2833.

Sincerely,

Amy Potter, Unit Coordinator
