RE: Corrective Action Plan (CAP) for the Former 724th Tanker Purging Station [Solid Waste Management Unit (SWMU) 26] dated January 2000; Fort Stewart; EPA ID No. GA9 210 020 872.

Dear Colonel Stanley:

The Hazardous Waste Management Branch of the Georgia Environmental Protection Division (GA EPD) is in receipt of correspondence (Stanley to Khaleghi) dated April 10, 2000 which contains Replacement Pages D-7, D-12 and D-15 to be inserted into our four (4) copies of the above-referenced document. Based upon our review, GA EPD tentatively approves the Corrective Action Plan for SWMU 26 dated January 2000, as amended by Replacement Pages D-7, D-12 and D-15. Please note that a final decision will be made by GA EPD pending the outcome of a forty-five day public comment period which is scheduled to occur this Summer when the Corrective Action Module (i.e., Section IV) and Appendix A of your Hazardous Waste Facility Permit #HW-045(S&T) are modified.

Should you have any questions concerning this correspondence, please contact Brent Rabon of my staff at (404)656-2833.

Sincerely,

Bruce Khaleghi, Unit Coordinator
Hazardous Waste Management Branch
