**SUBJECT: Notice to Implement Corrective Action Plan (CAP)-Part B:
Hunter AAF, Former Fuel Pit #1
Former Building 8060
Savannah, Chatham County, GA
Facility ID: 9025085*1**

Dear Mr. Thomas C. Fry:

The Georgia Underground Storage Tank Management Program (USTMP) has received your consultant's letter, dated July 24, 2009, that forwarded a properly certified Revised CAP-Part B and with the 2008 Annual Monitoring Report. The report was prepared by ARCADIS.

The technical proposal contained in the Revised CAP-Part B for further investigation, monitoring and/or remediation of the current release is hereby approved by the USTMP. As a result of your CAP-Part B being technically approved, you are authorized to begin implementation of this plan.

Note: If free product is observed, EPD requests that free product be removed by use of Enhanced Fluid Recovery and submit a copy of the Contractor's report to EPD. Please, conduct semiannual sampling and submit the monitoring reports on a semiannual schedule. A "No Further Action" will be granted only when EPD determines that site conditions are acceptable.

Please submit an updated milestone schedule by **March 4, 2010**, listing specific dates, events and a timetable to complete the proposed activities. If you have any technical questions, please contact me at (404) 362-4529.

Sincerely,

William E. Logan
Geologist III
Corrective Action Unit II
