Re: RTC and 2nd Revision of Preliminary Vapor Intrusion (VI) Evaluation and Proposed Soil Gas Investigation for HAA-15 (MCA Barracks Site) at Hunter Army Airfield in Savannah, Georgia

Dear Baumgardt:

The Land Protection Branch of the Georgia Environmental Protection Division (EPD) has reviewed Fort Stewart's response EPD's comment letter (Potter to Baumgardt) dated August 9, 2016 and 2nd Revision of Preliminary Vapor Intrusion (VI) Evaluation and Proposed Soil Gas Investigation for HAA-15 (MCA Barracks Site) at Hunter Army Airfield dated September 9, 2016 and received September 21, 2016. From that review, it appears that Hunter Army Airfield has addressed EPD's comments. The final version of this document is considered complete and will be placed on file in our office. Please implement the approved plan in accordance with the schedule therein.

Should you have any questions concerning this correspondence, please contact Adam Hanley or Mo Ghazi at (404) 656-2833.

Sincerely,

Amy Potter
Unit Coordinator
Hazardous Waste Management Program
