Underground Storage Tank Management Program  
Attention: Mr. William Logan  
4244 International Parkway, Suite 104  
Atlanta, Georgia 30354

Dear Mr. Logan:

Fort Stewart/Hunter Army Airfield (HAAF) is pleased to receive the Georgia Environmental Protection Division's (GA EPD's) correspondence dated April 30, 2001 approving the "No Further Action" status for former underground storage tanks (USTs) #21 and #22, Building 1327, Facility Identification Number 9-025053\*1.

As requested by this correspondence, Fort Stewart has properly abandoned the monitoring wells located at this site. Fieldwork was completed the week of June 4, 2001 and all completion requirements have been met. Therefore, the following certification is provided:

I hereby certify that the October 2000 Corrective Action Plan-Part B which was reviewed by GA EPD in correspondence dated January 25, 2001, and the December 2000 First Annual Monitoring Only Report which was approved by GA EPD in correspondence dated April 30, 2001, for former USTs 21 and 22, Facility Identification Number 9-025053\*1 have been implemented in accordance with the schedules, specifications, sampling programs, and conditions contained therein, and that the plan's stated objectives have been met.

If you have any questions or comments, please contact Ms. Tressa Rutland, Directorate of Public Works, Environmental Branch, at (912) 767-2010.

Sincerely,

*for* *Thomas C. Stanley*
