Dear Ms. Potter:

Fort Stewart is pleased to receive Georgia Environmental Protection Division's (GA EPD) letter dated July 17, 2012 regarding the Compliance Status Report, Revision #1, HAA-15 (MCA Barracks), HSI Site #10521, Hunter Army Airfield, Georgia.

The Army Environmental Command has issued a stop work order for the Performance Based Acquisition (PBA) contract associated with the above mentioned site, due to the transition of the regulatory driver from the Hazardous Site Response Act (HSRA) to the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). The PBA contract is in the process of being modified. Fort Stewart respectfully requests an extension until February 8, 2013 to respond to GA EPD comments until the modification of the contract has been accomplished.

If you have any questions please contact Ms. Algeana Stevenson at (912) 315-5144 or Ms. Tressa Rutland, Directorate of Public Works, Environmental Division, Prevention and Compliance Branch at (912) 767-2010.

Sincerely,

Robert R. Baumgardt
Director, Public Works
