No time to implement

Dear Colonel Perez:

This is to acknowledge your letter, dated June 28, 1999, that forwarded a CAP-Part A Addendum, for our review.

We have conducted a technical review of the CAP-Part A Addendum. The bases for this review are the CAP-Part A content requirements referenced in paragraph 391-3-15-.09(2) of the Georgia Rules for Underground Storage Tank Management (GUST Rules, revised 1995). As a result of your CAP-Part A being technically approved, you are authorized to begin implementation of this plan. Please submit the CAP-Part B by October 15, 1999.

If you have any questions, please contact me at (404)362-2589.

Sincerely,

Ronald J. Wallace
