Dear Colonel Stanley:

The Georgia Underground Storage Tank Management Program (USTMP) has received your consultant's report, dated January 30, 2001, that forwarded a properly certified Semiannual Progress Report. The report was prepared by Science Applications International Corporation.

The technical proposal contained in the CAP-Part B for further investigation, monitoring and/or remediation of the current release is hereby approved by the USTMP. As a result of your CAP-Part B being technically approved, you are authorized to continue implementation of this plan.

✓ Please submit an updated milestone schedule by **September 10, 2001** listing specific dates, events and a timetable to complete the proposed activities. If you have any technical questions, please contact me at (404) 362-2687.

Sincerely,

William E. Logan

Senior Geologist
