Dear Colonel Perez:

The Georgia Underground Storage Tank Management Program has received your letter, dated September 22, 1999, that forwarded a properly certified CAP-Part A. The report was prepared by Science Applications International Corporation (SAIC).

The technical proposal contained in the CAP-Part A for further investigation, monitoring and/or remediation of the current release is hereby approved by the USTMP. As a result of your CAP-Part A being technically approved, you are authorized to begin implementation of this plan.

Please submit an updated milestone schedule by **February 25, 2000**, listing specific dates, events and a timetable to complete the proposed activities. If you have any technical questions, please contact me at (404)362-2687.

Sincerely,

William E. Logan
Geologist
